Seating Unit

Legs

Hardware Used

#10 x 1" Pan Head Wood Screws

#10 x 1 1/4" Pan Head Wood Screws

Linking Hook & Latch

Step 1

Attach Legs to Seat:

(Note: Units with arms will be shipped with legs factory installed.)

Flip seat over on a flat smooth surface

Attach each leg using four (4) #10 x 1" PHWS

Locking pin is used to keep latch from hang down when not in use.

Step 2

Attach Ganging Hardware:

(when applicable)

While units are flipped over, attach a set of Linking Hook & Latch Hardware per side. Only one hook & latch is necessary per side when linking seating to casegood units.

Attach each linking hardware using two (2) #10 x 1 1/4" PHWS

Notice To Installers: Failure to comply with installation instructions will compromise the safety, durability and performance of this product, which may risk injury to the user of this product and/or diminish the product life cycle. Jasper Group assumes no liability in these instances.
