Environmental Mission

Our vision and goal is a sustaining supplier, manufacturer and customer for the long term protection and preservation of our environment for future generations.

MISSION

To achieve this vision, we are dedicated to ensuring the health and wellbeing of all of our partners, reducing negative impact on the environment, and maintaining price structure by increasing efficiencies and reducing consumption.

JSI, and it's parent company, is an internal manufacturer and has been an environmentally conscious organization for more than 80 years.

We are proud to use wood as our primary sustainable material resource and all corporate policies and procedures support the efforts to "recover, recycle, reuse, repurpose, reduce, refuse, and re-engineer". In doing this, we are committed to the conservation of the environment and its natural resources as well as encouraging our suppliers and customers to do the same. A goal of a "Sustainable Partnership", supplier, manufacturer and customer, is essential for the long term protection preservation and sustainability of our environment for future generations.

LOCATION

Our manufacturing facilities are located in the center of Southern Indiana. With our diverse product offering and manufacturing capabilities, we provide a single source for all of your project needs allowing you to conserve our fossil fuels and reduce greenhouse gases.

PACKAGING

We place emphasis on the minimal use of disposable packaging while still providing adequate protection to the finished product. Our corrugated packaging is recyclable, reusable, and up to 100% recycled content. We reuse or recycle more than 175 tons of corrugated material annually.

REGULATORY

All of our manufacturing facilities are in compliance with applicable OSHA regulations and meet or exceed all applicable DEM and EPA regulations for air emissions, storm water and hazardous waste disposal.

MANUFACTURING FACILITIES

Our manufacturing facilities are geared toward eco-efficiency and are encouraged to continually improve and conserve. Solid wood not used in the direct manufacturing process is recovered for the operation of our dry kilns, thus reducing greenhouse gases, the use of fossil fuels, and the burden of waste placed on landfills. Composite panels not used in the direct manufacturing process are ground and sold for use as animal bedding and boiler fuel. In addition to other energy savings techniques, our manufacturing facilities use high efficient lighting, make use of power factor capacitors, and encourage all to conserve and reduce energy consumption and water usage. Condensation pumps are used to aid in water conservation as well as extending boiler life.

MANUFACTURING PROCESSES

Our finish processes utilize efficient spray guns and proper spray techniques to reduce wasted material. Excess finish material, solvents, and waste are recycled. Many of the assembly processes use water based glues that contain no hazardous ingredients.

TEXTILES

Many of our fabric options utilize up to 100% recycled content. Our leather alternative program includes selections that contain no toxic materials, plasticizers, heavy metals, or formaldehyde and have a 100% biodegradable back cloth. Some of the available panel fabric used, if discarded is a biological nutrient for the soil. Most of the components (foam, batting, and polycord) used in upholstered products are recyclable. Excess fabrics and leathers not utilized in the upholstery process go to recyclers and local charities for additional use.

WOOD

Wood is the most diverse, most process friendly, and most widely utilized natural resource in mankind's history. No other natural resource can match the environmental advantages of wood, including being renewable, recyclable, natural, carbon negative, and biodegradable. Utilizing the sun's energy, trees grow and remove carbon dioxide from the air while giving off oxygen to benefit the entire planet. Approximately 49% of wood's dry weight is carbon and harvesting mature trees in a sustainable forest, which has slowed in the absorption of carbon dioxide, allows the photosynthetic cycle to continue at full optimization and allow for the carbon to remain sequestered. We are proud to use wood as our primary "sustainable" renewable resource.

WOOD OPTIONS

Many environmentally friendly solid wood and engineered wood options are available for quote, including: Lyptus®, Plyboo®, reclaimed woods, agricultural and post-consumer waste fiber products, etc.

INDOOR AIR QUALITY

Our goal is to reduce the impact our products will have on the indoor air quality. We practice the latest technologies and utilize a third party to assure we meet this goal. GreenGuard, one of the leaders in IAQ certification, continues to certify our product offering with UL2818 - GreenGuard Indoor Air Quality certification.

Warranty

JSI warrants to the original purchaser that each piece of furniture will be free from defects in workmanship, given normal use and care for as long as the original customer owns and uses the product. Normal use is defined as the equivalent of a single shift, 40-hour work week.

JSI will, at its option, repair or replace with comparable product within the terms of the warranty.

Exceptions to Warranty:

12 Years (from date of purchase)

- Wood Seating
- Seating Controls
- Veneer Surfaces
- Laminate Surfaces
- Pneumatic Cylinders

5 Years (from date of purchase)

- Glides
- Casters
- Task Lights
- Mesh/Knit Material
- Foam
- Florette Plastic Frame Chairs
- Electrical Components
- Electric Height Adjustable Bases

This Warranty Does Not Cover:

- Natural variations in color, grain or texture of wood and other covering materials over which JSI has no control.
- Normal wear, color fastness, shrinkage, puddling, wrinkling and stretching of upholsteries including fabric, vinyl, leather and other textiles. This warranty does not cover any defects that may arise in the use of COM or COL upholstery materials. Textile manufacturer's warranty will apply.
- Damages resulting from transportation, improper assembly, installation, handling, accident, user modification attachments, misuse, or neglect of product care.
- Damage resulting from extreme climate conditions.
- Finish damages resulting from normal wear and tear, improper maintenance, water damage, exposure to sunlight, extreme high or low humidity or temperature, or other acts of nature.
- Damage created by loading file drawers with anything other than hanging folders.

JSI makes no expressed or implied warranties to any product and, in particular, makes no warranty of merchantability of fitness for any particular purpose. JSI will not be liable for any consequential or incidental damages under this warranty.

Unique Characteristic of Natural Woods and Veneers

JSI uses high quality wood and veneer harvested from sustainably managed forests. Every tree has unique and defining characteristics, like fingerprints. These characteristics can be defined by differences in color, grain configuration, and textures. These characteristics will be more noticeable if the product has a clear or lighter finish.

Maple and Cherry species have a higher degree of uneven distribution of grain, small color streaks, and pin knots.

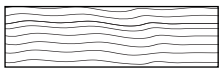

At JSI, we take care of selecting woods and veneers that are used in our products. With this in mind, we hope you appreciate the beauty of each tree's fingerprints. Products will not be replaced due to these natural characteristics.

Veneers can be sliced in a variety of ways to create unique patterns. JSI uses several different patterns, as shown below.

Flat (Plain) Cut as shown in diagram

Quarter Sliced as shown in diagram

Double Cut as shown in diagram

Double Cut

The Double Cut veneer is a processed product that has at least two cuttings to create the final veneers. These cuts of veneer strands are dyed and layered into a block to create variation of patterns from a very tight grain pattern to an exotic figure grain pattern.

JSI uses select beech, cherry, maple, oak and walnut cut wood products to produce the desired look of our furniture products.

Please reference the featured highlights of each product line to identify the species and grain patterns available for that product.

Laminates (Veneer Series)

HPL (Higher Pressure Laminate) laminates can be specified on most of our work surface tops in most of our product lines. Refer to the specification pages for each series. The specification pages will also list the available coordinating finishes.

Laminate Series

JSI laminate series offer a full laminated product with imprinted grain to hide finger prints and provide durability. The worksurface tops are HPL (High Pressure Laminate). TFL (Thermal Fused Laminate) is used on the product's chassis. Please reference the featured highlights of each product for additional details.

Finish - Top Coat

To reduce hazardous formaldehyde emissions, we use our proprietary specially designed top coat, DuraTex™. It significantly reduces hazardous formaldehyde emissions and helps improve indoor air quality.

Finish - Color/Stains

A wide range of stains are available to bring out the beautiful characteristics of each wood species. We coordinate finish color between our veneer stains and solid lumber stains; however, not all may be a perfect match. The stains are continually reviewed for accuracy of color, as well as a constant monitoring of the latest color trends in the furniture market.

Finish - Matching

Due to the natural characteristics of wood, environmental effects, and material upgrades, JSI cannot guarantee exact finish matches on existing furniture previously ordered.

If an exact match is required to accompany existing furniture, it must be specified at the time of order placement, so specific internal procedures can be followed to ensure a proper and acceptable finish match. We reserve the right to change our finish formula at any time to improve safety, quality, and appearance. Unless a finish match for existing furniture is requested at the time of ordering, we accept no liability for finish that may not match the existing furniture from prior orders.

Solid lumber may inherently have mineral streaks, pits, and various other natural occurrences. Care is taken in selecting the solid lumber to coordinate with the requested finish on our veneer products. This internal selection process is subject to availability of solid lumber parts.

Custom/Special Finishes

JSI, upon request, will accommodate special finishes. A written request is required to proceed with custom finish orders. A sample reference is required for first time matches and must be included with the written request.

There is a one time charge of **$321 list per order** for any non-standard wood finish.

Orders will be entered noting the special finish. A sample match will be provided to the customer. Written approval is needed before the finish process can be started. Delays in approval may have an impact on lead times.

Every effort will be made to create the requested match; however, an acceptable match may not be possible because of natural variations of wood. These natural variations can also cause minor differences in the final finish product.

Samples
Samples of standard wood finishes, paints colors, metal colors, and standard laminate are available upon request. The fastest way for requests to be filled is by using our website. See below for options to request samples.

Pricing
Prices found in this document or on our website are list prices in U.S. dollars for standard product delivery to one destination. Prices do not include storage, installation, or taxes. Possession of this price list does not constitute an offer to sell. Orders can only be received from approved authorized JSI dealers.

Prices and product information in this document, as well as our website, are subject to change without notice. Reference website for most up to date product offering and pricing.

Orders
Detailed specification pages are available in the price list at the beginning of each series.

Additional information may be obtained by consulting the Customer Service Department or our website.

Indicate shipping address if different from billing address.

Send Orders To:

US Mail – JSI
225 Clay Street
Jasper, IN 47546
Fax – 812-482-1548
Email – orders@jaspergroup.us.com

JSI reserves the right to make changes in dimensions, styles, or specifications if we believe these changes will improve the safety, quality, or appearance of the product.

Acceptance of orders will be subject to credit approval, barring any acts of governments, or any other causes beyond our control (e.g. strikes, fire, embargo of materials, etc).

Product Modifications
While we offer a wide range of products to accommodate many possible solutions, we also recognize the needs for our products to be modified from our standard offering.

In the series introduction section of each product, we address modification options for that series.

To see if the desired modification is possible, please contact our Customer Service Department for a quote. Note that order quantities and material availability can affect the quote. Additional information may be requested to fully quote modifications.

Order Acknowledgments
All orders will be acknowledged promptly upon entry of a clean order. The acknowledgment will show how the oder was entered, ship date and any other information pertinent to the order. It is the purchaser's responsibility to verify all the information on the acknowledgment carefully and notify us immediately, in writing, of any discrepancies.

Every reasonable effort is made to ship as acknowledged; however, the acknowledged ship date is approximate. Company will generally ship within five (5) working days of the acknowledged ship date. If a firm ship date is necessary, customer must inform company at time of order and company will make all reasonable efforts to meet each customer's request. Acknowledged shipping dates are contingent upon the force majeure conditions contained in these terms and conditions.

Quickship
Items indicated with a Quickship symbol NOW! ship within 10 business days of receipt of a clean, credit approved purchase order. Product for up to 20 offices or 20 tables can be selected from the Brogan, Finale, Flux or Vision series. See individual product pages for those models available on quickship. Available capacity is filled by orders as they are received. If normal 10 day Quickship is not available because capacity has been filled, you will be immediately notified. Changes and cancellations to Quickship orders are not allowed under any circumstances.

Delivery
Our freight policy consists of prepaid freight to the 48 contiguous states; all other shipments are prepaid to port of exit ONLY. JSI reserves the right to select the appropriate carrier and shipment routes, most shipments are on freight carriers that are dedicated furniture specialists. Standard deliveries require a DOCK that can accommodate **75 foot trucks**. Ownership and inspection of product is the responsibility of the buyer upon pickup by the freight carrier. Pricing in this book is for standard delivery only. Standard delivery does **not** include non-dock delivery, inside delivery, residential delivery or installation of product. Fees and changes for non-standard deliveries are listed below.

Standard Delivery Time
Between 8AM and 3PM Monday through Friday. Special delivery requests can be subject to additional fees to accommodate requests.

Cancellations and Changes
All orders are considered firm and are not subject to cancellation or change without approval from JSI. All approved changes are subject to additional charges and revised lead times

No Touch Freight
Our freight is considered "no touch". Therefore, customers are to be prepared to unload freight from inside the truck prior to arrival. In the instance that a driver must unload the shipment, driver assists fees will apply (see fees below).

Detention Fees
- Carriers are given two-hour maximum time allotment to unload for one-stop truckloads.
- Carriers are given one hour maximum time allotment to unload for multi-stop truckloads

*Detention fees apply after allotted unloading time and will be at buyer's expense.

On-Site Deliveries
Shipments to the installation site, and time deliveries are available on full truckloads or slightly less, at no additional charge. Shipments or timed deliveries for smaller shipments may not be available, or if available may require an additional charge.

Residential Deliveries
Our freight policy prohibits the delivery of freight to a residential property.

Fees

Orders of less than $1,000 net . . . . . $78 net
Weekday deliveries outside of standard delivery times $250
Weekend deliveries (Saturday or Sunday) $500
Liftgate Deliveries. . . . . $100 minimum 5% of net price
Driver Assist $75
Jobsite Non-Dock Delivery $100
Inside Delivery (first floor inside only) - no installation
or carton removal. . . . . $125 minimum 5% of net price

Warehouse/Storage Fees

Additional storage time with a provided two-week approved notice is calculated at 3% per month of the product amount or per day.

Please be Advised

- Reconsignment fees are the responsibility of the buyer.
- Any charges arising from failure to meet shipment, re-routing while in transit or carrier storage charges are the responsibility of the buyer.
- Contact Customer Service to inquire about skidding of products, special crating of products and product installation. These requests must be approved by JSI and made at the time of order.
- Carriers have the right to refuse delivery to a specified location if it conflicts with their liability policy.

Freight Damage

JSI products are packed in cartons and meet or exceed existing codes for furniture and seating products. All shipments are delivered to the carrier in good condition and our liability ceases thereafter. If delivery arrives short or damaged, contact the carrier immediately to file a claim. In the event of concealed damage, notify the carrier and request immediate inspection. Failure to file a claim within 15 days after receipt of merchandise constitutes acceptance and a waiver of any such claims. Please inspect merchandise immediately upon receipt, otherwise there is no recourse. Keep all cartons and packing material, discarding these materials may negate your claim.

Storage of product in areas of uncontrolled humidity and temperature may cause damage to the product and void the JSI warranty.

Repairs

JSI will not issue credit allowance for any type of repairs without prior written consent.

Sales order, product model numbers, and reason for repair will be expected in order to process the repair request. A digital photo will help to expedite the request. JSI reserves the right to recommend solutions for repair.

Returns

No merchandise may be returned to JSI without a signed Return Good Authorization (RGA) form issued by our Customer Service Department. Any authorized return not due to damage or defect will be accessed a 45% restocking fee and all return freight charges must be prepaid. Additional restocking fees may apply for any modification, special or custom built product.

Liability for defective merchandise shall be limited to replacement or repair.

Under no circumstance can we accept COD (Cash On Delivery) returns. Any such shipment will be refused.

Replacement Parts

Obtain information and pricing on replacement parts by contacting Customer Service. Please have the model number available when requesting replacement parts. Additional information may be required to ensure proper replacement parts.

Care and Maintenance

Care of Upholstery Surfaces

Cleanability will vary based on the fabric type. For best results, a professional service is recommended. Dirt and crumbs may be gently brushed or vacuumed off. Spills should be wiped up immediately with a cloth. Vinyl textiles can be cleaned with warm soapy water and then wiped down with a warm damp cloth. For more details on any JSI carded fabric and vinyl, please visit our website at jsifurniture.com or consult the back of the appropriate swatch card for cleaning codes and any specific instructions. For COM materials, consult with the individual textile manufacturer for cleaning codes and any specific instructions pertaining to your particular fabric.

Maintenance of Mechanical Parts

Clean any lint or debris from the moving parts of the base mechanisms. Mechanisms have been designed and tested to not require lubrication under normal conditions; however, lubricant can be used if needed.

Care of Wood Edges and Veneer Surfaces

Clean all surfaces frequently with water dampened soft cloth, moving the cloth with the grain direction. Immediately remove any liquids that come in contact with wood surfaces with a blotting action to absorb liquid. Buff dry. Lift objects to move them, never pull them across the finished surface. For an additional safeguard, use a protective surface pad. This will ensure a lasting finish by protecting your furniture from possible damage caused by pens, cups and sharp objects. Avoid exposure of furniture to extremes of heat and cold, or to wide humidity variances. Avoid exposure of furniture to strong sunlight. Avoid exposure of furniture to harsh solvents such as nail polish remover, acetates, etc., as it will cause finish deterioration. If using a protective glass top, place spacer pads under the glass top to allow the wood to breath.

Care of Metal Finishes

Wash you powder-coated item at least one every six months. Use soft rags only - No abrasives. For stubborn stains and grease marks, use soap and water mixture. Combine 1 gallon of water and 1 cup of the neutral detergent in the bucket. Mix it up by swirling one of the rags around in it. Wipe down the powder coat with a rag that has been dampened with the cleaning solution. Do not scrub, but use gentle, repetitive pressure to remove any built-up grime. Rinse the powder coat off with a rag dampened with clear, clean water. Do not spray it down, but rather wipe it off with the rag. You may need to do this several times to get all the soap off. Wipe the powder coat down with a clean dry rag. This will prevent streaking and spotting.

Care of Frosted Glass
Use a clean, dry lint free cloth to wipe the surface. Follow with warm water and a clean rag; no soap or chemicals. Wipe dry with a clean, dry lint free cloth. Cleaning the frosted side is not recommended, if desired to clean use the above method but do not spray the water on the frosted side, use a clean rag. Please allow 48 hours for the frosted side to dry and not to show cloudiness.

Tempered Glass Information
JSI is aware of occasional occurrences of spontaneous glass breakage in various furniture products. Tempered glass makes it stronger and if it breaks, will cause it to break into many small pieces of "cubes" rather than sharp and potentially dangerous shards.

Glass breakage in furniture may occur for a variety of reasons. Tempered glass is particularly prone to breakage from damage (scratches, nicks, etc.) that may occur during shipping, handling, installation, use or maintenance. Exposure to rapid changes in temperature or concentrated temperature zones may also cause breakage.

Tempered glass may also break due to a specific type of imperfection or "inclusion" that occurs within the glass when manufactured. When this condition exists glass breakage may occur without any obvious cause. This is often referred to as "spontaneous" breakage but is a very isolated occurrence in the glass industry.

Care of Dry Erase Boards
Erase after every use to eliminate ghosting. Clean weekly with a Dry Erase Cleaner. Avoid the use of orange and red Dry Erase Markers. Follow manufactures cleaning instructions for the eraser. If ghosting or staining remains use a small amount of rubbing alcohol on a clean, soft towel to remove.

Care of Solid Surface
Although liquids cannot penetrate Solid Surface, it is best to wipe up spills as they occur. Generally, a damp microfiber cloth used with a standard household kitchen spray should remove most stains.

For most residues, all you need to clean your Solid Surface countertops is a warm soapy water, ammonia-based household cleaner or a dedicated countertop cleaner. Do avoid window cleaners; however, as they can leave a waxy build-up that dulls the surface. Always clean using a circular motion.

Film will build up on countertops if water is left to dry on the surface. This film will dull the countertop surface, making the finish appear blotchy and uneven. To prevent film build-up, it is very important to wipe the countertop completely dry immediately after spills and cleaning.

Some color of Solid Surface may require more frequent cleaning to maintain a uniform finish. Darker colors tend to require more attention than lighter colors. Over time, even with proper care, your countertop will acquire a sheen. Dark colors may show light scratches more readily.

Fire Retardancy
All JSI upholstered components comply with California Bureau of Home Furnishings and Thermal Insulation-Technical Bulletin 117-2013 issued by State of California Department of Consumer Affairs. This standard requires upholstered furniture to be safer from the hazards associated with smolder ignition in all four (4) categories of materials, as applicable.

Compliance with more stringent codes may require special manufacturing considerations and upcharges.

California Technical Bulletin 133 (CAL 133)
JSI uses a barrier material between the foam cushioning and the upholstery cover in order to comply with CAL 133. The standard upcharge on products specified to comply with CAL 133 is **$69 list per yard** of textile.

JSI has performed a series of full scale fire tests on samples - representing worst case scenarios of upholstered units - to comply with the requirements of the state of California Technical Bulletin 133 (CAL 133). Products in compliance are labeled in accordance of the standards.

Some product designs and fabric cannot be combined to comply with CAL 133. Because of this, we reserve the right to reject any request for an upholstery cover, including COM, textile may not contain olefin or product style that we feel may compromise the integrity or safety of a product specified to comply with CAL 133.

Contact Customer Service for a quote if you require laboratory certification that a specific product and upholstery combination WILL PASS CAL 133. The quotation will include testing, video, and transportation charges plus the list cost of the sample.

Our standard lead time will apply to products that do not require certification. Allow an additional six weeks over the standard lead time for products that need actual laboratory certification.

The end user, specifier and/or dealer have the responsibility to make sure all products specified will meet the flammability and safety codes of the jurisdiction where the products will be located and used.

Flame Spread
All JSI may be required to comply with the requirements of Flame Spread based on ASTM standards/NFPA Life Safety Codes and general public knowledge are as follows:

Solid Wood - Class C
Topcoats - Class A
Carded Fabric - Class A
Composite Panels - Class C
Laminate - Class B

Plastics - According to the NFPA, the lack of stability of plastics under high temperature conditions and inherit combustibility have eliminated the use of plastics for applications requiring a flame spread rating.

Also be advised that improvements may be attained in certain instances with the addition of chemicals which may add additional costs, chemical exposure and/or compromise the integrity of the product.

Textile Carded Programs
JSI is proud to partner with Maharam, Momentum, Spradling, Stinson, Ultrafabrics and Cortina Leather. Please refer to the respective pages in this pricer for each of these partners. Scan the QR codes on the back of the swatch card for latest grades and other information.

Textile Grade-In Programs
For the convenience of our specifiers, we have graded in the following suppliers:

Arc Com www.arc-com.com
Designtex www.designtex.com
Maharam www.maharam.com
Mayer www.mayerfabrics.com
Momentum www.themomgroup.com
Spradling www.spradlingvinyl.com
Stinson www.cfstinson.com
Ultrafabrics www.ultrafabricsllc.com
Cortina Leather www.cortinaleathers.com

For memo samples, contact textile suppliers.

Please contact Customer Service for pricing grades on textiles and leathers not listed.

Indicate on purchase order if JSI is to order the fabric.

Grades and availability of fabric are subject to change without notice. Changes could include but are not limited to price increase, discontinued patterns, discontinued colors, etc. See jsifurniture.com for up to date information.

Many textiles have repeats and the additional yardage required has been factored in for textiles ordered through the JSI Carded and Grade-In Programs. We reserve the right not to match textiles with a horizontal or vertical repeat greater than 17". Additional charges may apply for textile being applied with special instructions.

Some fabric thickness or stiffness may cause issue with proper upholstering of tackable wall panels or upholstery privacy screens. Please contact customer service with concerns on the fabric thickness for these items.

COM/COL Address
JSI
Attn: COM/COL Department
932 Mill Street
Jasper, IN 47546

Tag: Dealer Name / Purchase Order #

General COM Fabric/COL Hide Policy
Refer to the COM/COL Price Columns for list prices.

All yardage requirements listed in the price list are based upon 54" plain non-directional material. Additional yardage may be required based on fabric repeat and matching.

All square footage requirements for COL are based on an average hide size of 50 square feet.

Contact Customer Service for any of the following conditions:
+ approval of COM/COL to be used
  (see policy on the next page)
+ fabric repeats greater that 3"
+ fabric less than 54" wide
+ leather hides smaller than 50 square feet
+ special application requirements request

When requesting information from Customer Service on COM/COL please supply the following information:
+ model number and quantity of the product the COM/COL will be applied
+ COM/COL textile supplier's name
+ name of pattern and color of the textile
+ any special application request

Customer Service will check the database to see if the textile has already been approved. If there is no record for this particular textile then a Memo Sample will be required.

Send a Memo Sample of the COM/COL
(recommended memo be at least 4" x 4")
JSI
Attn: COM/COL Approval Department
Receiving B
Dock 71
201 East Martin St.
Orleans, IN 47452

JSI takes no responsibility when additional materials must be ordered.

All COM/COL must meet applicable codes and regulations, including TB117-2013. By selecting COM/COL, customer certifies that the material meets such codes. JSI assumes no responsibility for the applicable codes and regulation regarding flammability rating and safety rating of any COM/COL.

JSI will review and test as needed all requests. You will be notified as soon as results are documented by our review personnel. JSI reserves the right to reject any COM/COL on our products. We will provide COM/COL explanation of any unapproved textile whenever possible.

JSI cannot be held responsible for receipt of defective fabrics, as we apply all COM as first quality goods.

We can take no responsibility for tailoring, wear-ability or application of COM/COL textiles. Any warranty claims for the COM/COL Textile materials will fall to the original vendor of the textile, not JSI.

Custom Options

Wood and Metal Laser Cut Backs

Many of our seating models are available with custom wood engraving or laser cut backs. University seals, logos, unique designs, or any type of graphic can be designed into the seating back for a custom creation. Copyright approval may be required. Consult JSI Customer Service for pricing and artwork specifications. Artwork must be submitted as a JPG or PDF file.

Example

Wood Laser Engraving and Cut Outs General Pricing

* must order plain back when choosing these options

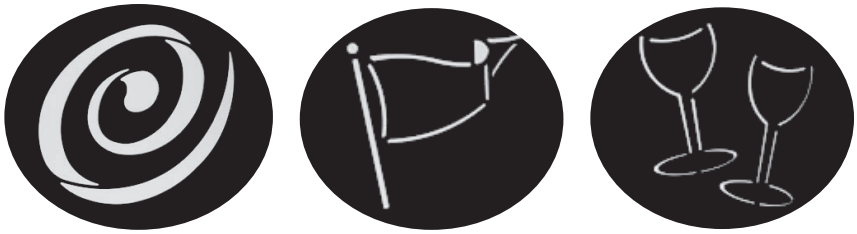

For Artwork 4" x 4" or Less	$48 list per chair
For Artwork Less than 6" x 6"	$85 list per chair
For Artwork Larger than 6" x 6"	Call For Pricing

For orders fewer than 50 pieces, add $136 list per design, per order. This pricing reflects etching (leaving the wood dark). If additional painted colors are added to artwork please call customer service for pricing.

A $119 list set-up fee applies.

Metal Laser Cut Out General Pricing

* must order plain back when choosing this option.
  Contact Customer Service for pricing.
  Examples shown below

Leather engraving also available. Please call Customer Service for pricing and availability.

Specification Tools

JSI products are manufactured to order and provide a multitude of options to address your individual customer needs. As you process your order do not forget to include all the necessary information to allow the order entry process to be completed. Please see the order checklist at the beginning of every series.

JSI Customer Service edits every order for complete information. If details are not included with the purchase order, Customer Service will contact you to answer these questions. If information is not completed in a timely manner it will delay the entry process and could effect your product delivery date. To avoid delay in order entry and potential delay in delivery of your order, please double check the line items to ensure all selections have been completed.

To ensure completion of details on your purchase order, electronic catalogs and specification tools have been developed to aid in the process. These electronic tools include:

20-20 GIZA Studio and 20-20 CAP Studio software offers state-of-the-art design, specification, photo-realistic rendering and three-dimensional visualization capabilities for configurable products in the commercial interior design markets. 20-20 GIZA Studio and 20-20 CAP Studio are available for all JSI Casegood and Seating products, in 2D and 3D graphics and the Specifier Catalog. Updates are made monthly reflecting any changes that occurred. To be sure the most up to date information is provided on orders, users of this software program are responsible to update their catalogs.

CET Designer, by Configura is an all-in-one software solution for space planning and configuration of products. The intuitive workflow guides you through entire process from idea to reality - supporting every step of the sales process

ProjectMatrix, Inc. offers a full software solution for the contract furniture industry. Their software can help you create space plans to specifications for ease of specifying our JSI Casegood and Seating product lines. Updates are made monthly reflecting any changes that occurred. To be sure the most up to date information is provided on orders, users of this software program are responsible to update their catalogs.

GSAdvantage is a Federal Government electronic catalog site offered to assist GSA customers in specifying and pricing JSI product. Listed at this site are all contract items and prices under GSA Contract # GS-28F-0030U.

Our JSI website **jsifurniture.com** provides many tools to assist in the design and order selection. Included in the site are downloadable images, typicals, product symbols, brochures, contact information, price lists, sales representative locations, warranty and environmental information.

Product Modifications
We willingly accept customers' modifications to standard products. See product modification information by series at the start of each series under the "Product Modification" sections. If there is a modification you desire that is not listed in this section, please call Customer Service for a modification quote/price

Acceptance, Modification, Assignment
By placing this order for furniture, material or other products (sometimes collectively referred to as "goods"), customer agrees to these terms and conditions which shall prevail over inconsistent provisions in any other form or document of customer. No change or modification shall be applicable unless set forth in writing and signed by company. Neither this order nor any interest therein shall be assigned by customer except with the prior written consent of company.

Payment
Customer agrees to pay to company the amount indicated on the invoice, 1% 15 days, net 30 days from date of invoice (U.S. funds only), for goods ordered. Interest will be charged after 30 days from the date of invoice at the rate of one and a half percent (1.5%) per month. International sales will require additional payment arrangements. No goods shall be sold on consignment or conditional sales basis. Payment for the goods delivered hereunder shall constitute acceptance thereof.

Attorneys' Fees
Customer shall be responsible for all expenses and cost in connection with the enforcement by company of these terms and conditions and the cost of collection (including the fees of any collection agencies to whom the customer's account may be referred), plus reasonable attorneys' fees (which attorneys' fees shall not be less that 25% of the amount due, unless a lower amount is specified by applicable law).

Remedies
The remedies herein reserved shall be cumulative, and additional to any other or further remedies provided in law or equity. No waiver of a breach of any provision of these terms and conditions shall constitute waiver of any other breach or of such provision.

Insolvency
Company may forthwith cancel this order in the event of the happening of any of the following or any other comparable event: insolvency of the customer, the filing of a voluntary petition in bankruptcy, the filing of any involuntary petition to have customer declared bankrupt provided it is not vacated within thirty (30) days from the date of filing, the appointment of a receiver or trustee for customer provided such appointment is not vacated within thirty (30) days from the date of such appointment, or the execution by customer of an assignment for the benefit of creditors.

GSA Terms and Conditions

Limitation of Liability
The Company shall not under any circumstances be liable to the customer, owner of the goods or any third party for special, indirect, incidental, or consequential damages, including, without limitation, loss of profits or revenues, loss or damage to other property or equipment, cost of capital or of purchased or replacement goods, or expense, delay, or inconvenience cause by or arising from the purchase, sale, use, repair or inability to use the goods or by any performance or non-performance under, or breach of, these terms and conditions. The Company's sole liability for any defective goods shall be its repair or its replacement pursuant to the express warranties set forth above, or if amended, as applicable at the time of manufacture or repair of the goods. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to all customers. Any action resulting from any breach on the part of company as to the goods or services delivered here under must be commenced within one year after the cause of action has occurred.

Returns and Allowances
Reasonable touch-up and deluxing is the dealer's responsibility. The Company will not make allowances for trip or delivery charges, but will only make allowance for actual work performed to correct manufacturing defects. Allowances maybe authorized only by a company officer. It is the responsibility of the field sales representative to inspect any defective merchandise and make suggestions and recommendations as to the proper disposition. Field personnel cannot obligate or bind the company by definite agreement, without final authorization by a company officer. Company will not accept automatic charge backs which do not have prior authorization. All defects must be called to the company's attention upon arrival at the customer's "ship to" destination. To initiate any type of claim or request for parts, it is imperative to have the model number or fabric number, which may be located on the tag attached to the frame of the unit. Authorization for return to the company via a return goods authorization. Company will not issue credit allowances for any repairs without company's prior consent. Under no circumstances shall the company accept COD (cash on delivery) returns, and any such shipment will be refused.

Security Agreement
The Company may require and customer shall grant a security interest in goods sold pursuant to any credit the company may extend to the customer.

Governing Law
All disputes between the parties, whether or not arising out of these terms and conditions, will be governed by the laws of the state of Indiana. Customer agrees to submit to the jurisdiction of and agrees all lawsuits relating to any disputes between the customer and the company will be brought only in a state court located in Dubois County, Indiana or the United States District Court for the Southern District of Indiana. The customer hereby waives the right to a trial by jury in any action, proceeding, claim, or counterclaim whether in contract or tort, at law or in equity, arising out of or relating in any way to these terms and conditions and all other disputes between the parties.

Mitigation
If the company repossesses the goods prior to payment by the customer of all amounts due hereunder, the company may sell the goods, as is, where is, free and clear of all rights of the customer at either public or private sales, and apply the net proceeds (after deducting expenses of repossession and sale) to the obligation of customer hereunder. The customer may dispose of the goods in any commercially reasonable place and manner and the customer waives any notice of time, place and manner of sale.

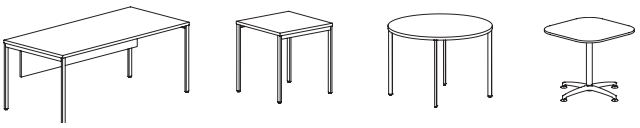

Integration
This order for goods, including these terms and conditions, along with any credit application, invoice, statement, dealer contract, acknowledgment, bill of lading (and any exhibits, addenda or amendments thereto) of which this order may be a part, constitutes the sole and complete agreement between the company and the customer with respect to the purchase of the goods.

Dimensions/Specifications/Finishes
All dimensions are approximate and may vary due to the upholstery technique of each craftsman. If exact dimensions are required, it is necessary for the customer to state such specifications with the order. Detailed specifications sheets are available for each series of goods, and customer should consult the company's customer service department for these specification sheets. Company reserves the right to make changes in dimensions, style, or specifications if company believes these changes will improve the goods' quality or appearance. Company reserves the right to substitute hardwoods due to availability at production. Due to the natural characteristics of wood, environmental effects, and material upgrades, the company cannot guarantee exact finish matches on existing goods previously ordered from company. If an exact march to customer's existing goods is required, it must be specified so that the proper procedures can be followed to ensure an acceptable finish. Company will accept no liability for the finish if this procedure isn't followed. Company reserves the right to make changes in a finish formula if company believes the change will improve the quality or appearance of company's goods.

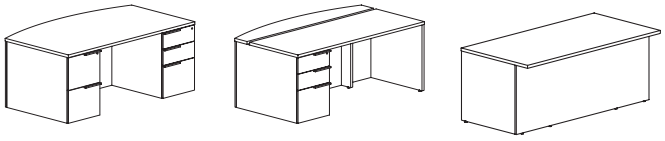

Company's Performance of Its Obligation
The production and delivery of the goods to the extent delayed or hindered or prevented from the performance by reason of natural disasters, acts of god, strikes, lockouts, labor troubles, inability to procure materials, casualties, failure of power, restrictive governmental laws or regulations, riots, insurrections, acts of terrorism, war or other reason of a like nature not the fault of the company shall excuse for the period of the delay the company's performance and the period for the performance shall be extended for a period equivalent to the period of such delay.

Flux General Options

Laminate Products
Flux Laminate features TFL (thermally fused laminate) chassis and components. Main worksurfaces* are available in a HPL (high pressure laminate).

Eased edges of the worksurface are impact resistant (PVC) on HPL tops. The laminate is offered in wood grain patterns and solid colors. The wood grain laminate features an embossed grain to hide finger prints and light scratches. The solid laminate is smooth to the touch with a semi-matte finish. All Flux Laminate products are indoor-air certified by GreenGuard.

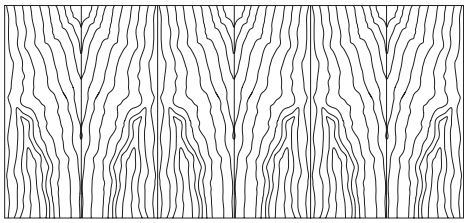

Laminate Worksurface Construction
Worksurfaces have a 3-ply balanced construction. Tops are 1 3⁄16″ thick with coordinating PVC edges. Primary worksurfaces feature 3mm PVC edges on the approach and user sides. Main worksurfaces are offered in HPL. Desk, bridge, return, and primary height credenza worksurfaces are profiled with a 3mm PVC edge on the user side only. Remaining edges are banded with 1mm PVC which creates a seamless appearance when units are mated end-to-end or back-to-back.

HPL Features on Main Worksurfaces*
- fusion of multiple layers create a higher impact resistant surface
- tops are 3-ply balanced construction
- matched to the TFL wood grain and solid patterns

Case Construction
Panels for chassis consist of a ¾″ thick substrate with TFL surfaces and PVC bands on exposed edges. Pedestal and cabinets are constructed with dowels reinforced with screw and interior plates for increased stability. Leveling glides are set into metal housing corner plate to allow for maximum leveling.

** Main Worksurfaces include tops on desks, primary height credenzas, returns, bridges and transaction tops. Refer to pricing pages to confirm availability.*

Veneer Products
Exterior wood surfaces are made from the finest selected veneers to achieve clarity and consistency in the Flux Veneer product line. To attain a pleasing, symmetrical pattern, all cherry, maple, and walnut veneers in Flux Veneer are book-matched. All exterior solid lumber is matched to coordinate with the veneer.

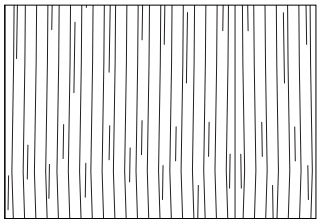

Veneer Book-Matched Example

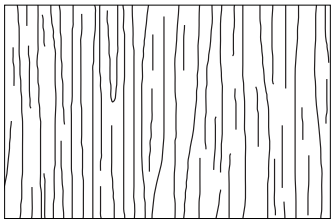

Alternating pieces of veneer are flipped over so they face each other like the pages within a book.

Flux Veneer is available in flat cut cherry, maple and walnut veneer. A wide range of wood stains have been formulated to enhance the beauty of the veneer.

Double Cut veneer is another choice on Flux Veneer product. This veneer is a processed product that has at least two cuttings to create the final veneers. These cuts of veneer strands are dyed and layered into a block to create a wide variety of patterns, from a very tight grain pattern to an exotic figure grain pattern. Double Cut veneer can be run vertical or horizontal. Please specify the grain direction.

Double Cut Veneer – Tight Grain Pattern

Double Cut Veneer – Natural Grain Example

Veneer Worksurface Construction
Tops are 5-ply balanced construction, 1 3⁄16″ thick with solid matching hardwood edges. Surfaces are available in wood veneer or high pressure laminate. No additional charge for using our coordinating high pressure laminate with a veneer grain pattern with finish wood edges.

Protective Top Coat
DuraTex™ offers exceptional hardness along with abrasion and impact resistance. It has been formulated to eliminate hazardous and harmful gases that are normally associated with wood finish.

DuraTex™ Features
- Safety - Significantly reduces hazardous formaldehyde emissions which help improve the quality of the of the indoor air we breathe.
- Quality - Developed to be tough and durable with special attention to appearance. The DuraTex™ finish preserves the natural beauty of wood.
- Durability - Designed to meet a wide range of demanding performance and environmental standards to withstand even the highest wear and tear.

Special Finishes
Special finishes can be requested by following the instruction in the general introduction section, page 5. There is a one-time charge of $289 list per order.

Flux General Options

Flux Standard Laminate Offering

The chart below lists the laminates available on Flux.

Laminate Options

Wood Grain Laminate	
AGA	Aged Ash
ALL	Ale Light
BLO	Blond Echo
BOL	Bourbon Light

Finish sheen can be modified on the worksurface tops.
There is a 15% upcharge added to the list price of each item.

Flux General Options

Desk Pedestal Configuration
The following are standard configurations for Flux pedestal desks.

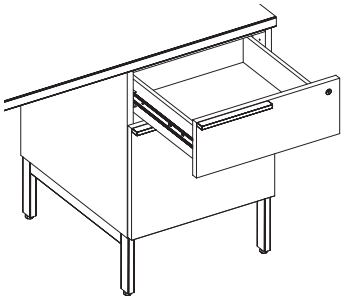

Double Pedestal Desk
Left side: file/file
Right side: box/box/file

Single Pedestal Desk
box/box/file

The 18"w and 15- 5/8"w pedestal configuration can be switched from box/box/file to file/file or from file/file to box/box/file. This configuration change applies to desks, open corner credenzas and kneespace credenzas at primary height without legs. This must be specified on the order, with an upcharge of $162 list per pedestal.

Drawer Information
Flux is standard with a unidirectional V–fold drawer box interior. The box is a durable, miter-fold drawer structure which is glued and doweled. The ½"-thick drawer sides are wrapped in a high-grade maple vinyl, with an attached front. The drawer front is attached to the four sided box.

Wood Drawer Boxes
Optional four corner dovetailed wood drawers are available. Specify and add 10% per unit.

Drawer Suspension
High quality black drawer suspension carries a lifetime warranty. File and box drawers have 100% full extension with over travel. Slides feature steel ball bearings for longer wear and positive, cushioned in/out stops.

Filing Hardware
All file drawers are constructed with a custom design for hanging folders. See filing diagram on next page.

Locking
All desks, credenzas, returns and mobile pedestals feature pedestal front locking to provide maximum security and flexibility in configuration. Units are shipped randomly keyed as standard. Key-alike units are available upon request for no additional charges. Removable cores for in-field re-keying are standard.

Lock face color is controlled by the metal color of the unit.
Pewter = Black Lock Face
Soft Nickel and Arctic Silver = Silver Lock Face

Interior compartment
Interior compartment sizes and specification matrix on pages 54, 55 and 65.

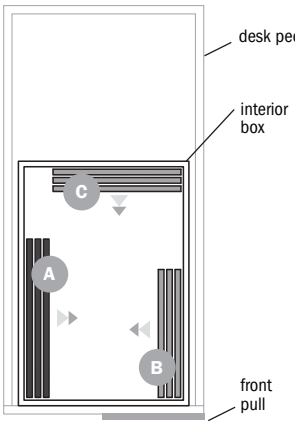

Special Construction
Flux has an extensive product offering to create many types of configurations. Contact Customer Service if you are having trouble with finding the right units to complete the desired configuration. Requests for special construction need to be approved by JSI engineering.

Flux General Options

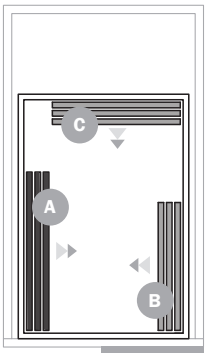

Filing Drawer Details

Desk and credenza pedestal filing drawers come with hardware to accommodate letter or legal files. File orientation options vary by pedestal size, as shown below. Legal and letter files may be arranged side-to-side in any pedestal, or front-to-back in larger pedestals. Select only one orientation for each filing drawer. Reference the following plan views for available options.

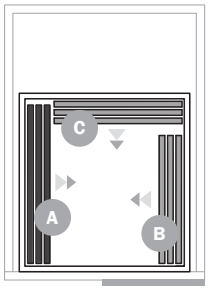

File Orientation Variations (top view)

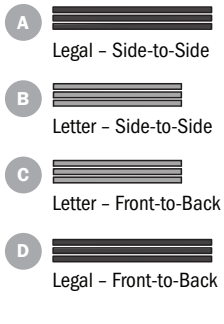

Overall Desk – 84″w through 72″w
Desk Pedestal – 36″d x 18″w
Interior Box – 22″d x 15 7/16″w

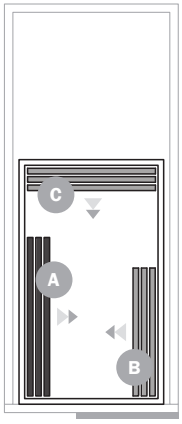

Overall Desk – 84″w through 72″w
Desk Pedestal – 30″d x 18″w
Interior Box – 22″d x 15 7/16″w

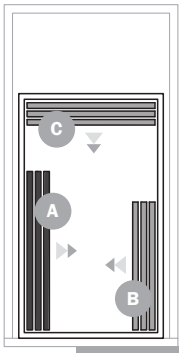

Overall Desk – 84″w through 72″w
Desk Pedestal – 24″d x 18″w
Interior Box – 16″d x 15 7/16″w

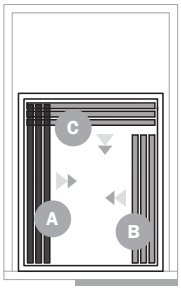

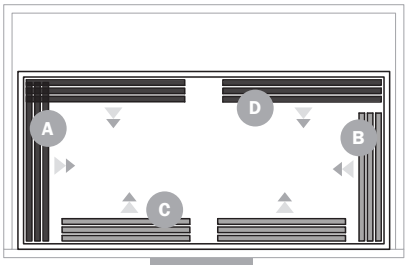

Overall Desk – 66″w through 60″w
Desk Pedestal – 36″d x 15 5/8″w
Interior Box – 22″d x 13″w

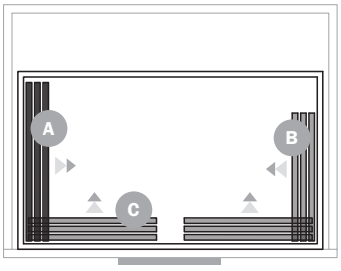

Overall Desk – 66″w through 60″w
Desk Pedestal – 30″d x 15 5/8″w
Interior Box – 22″d x 13″w

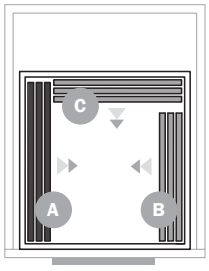

Overall Desk – 66″w through 60″w
Desk Pedestal – 24″d x 15 5/8″w
Interior Box – 16″d x 13″w

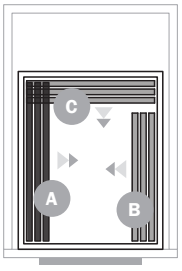

Overall Credenza – 72″w or 36″w
Credenza Pedestal – 22″d x 36″w
Interior Box – 16″d x 33 7/16″w

Credenza Pedestal – 22″d x 15 5/8″w
Interior Box – 16″d x 13″w

Flux General Options

Top Edge Profiles

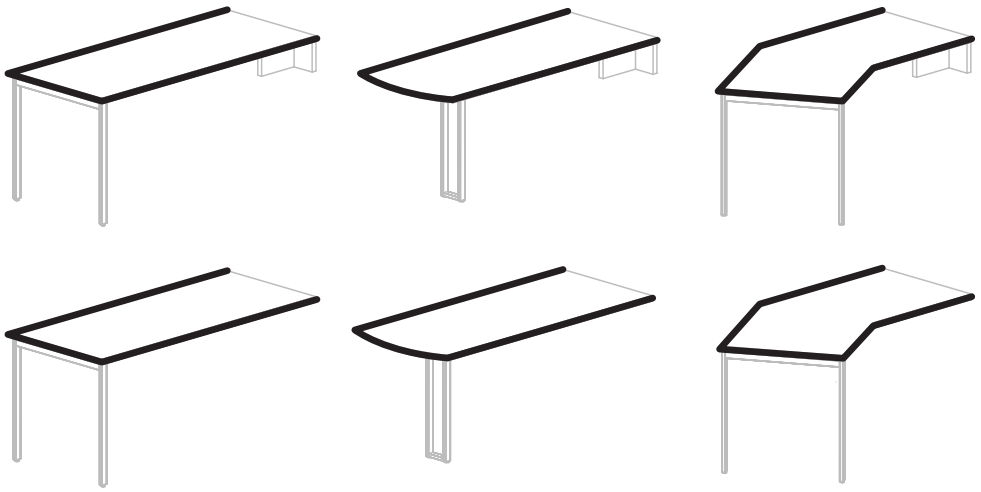

Eased Edge
Standard on worksurface tops

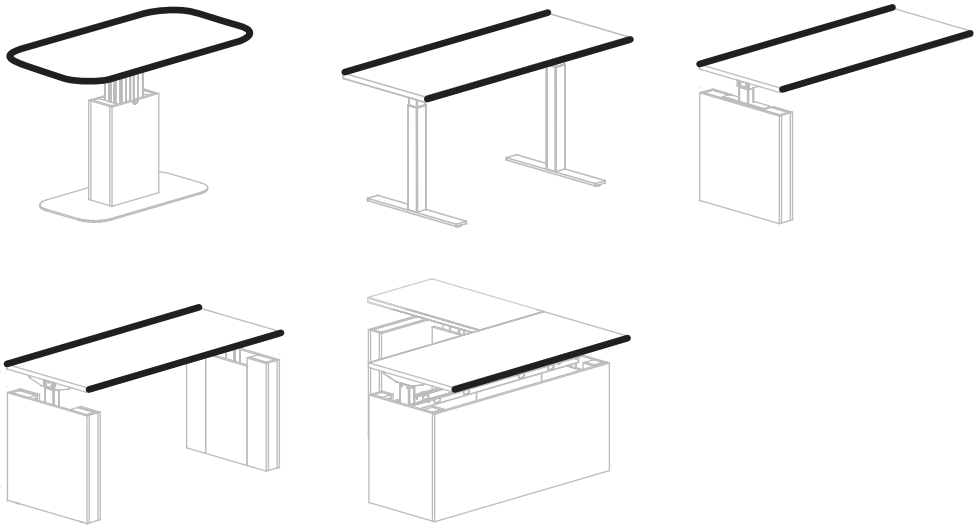

Reverse Bevel Edge
Optional on selected worksurfaces (see below)

Reverse Bevel Edge Location

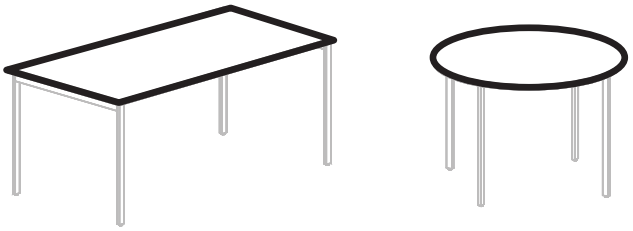

Peninsula and Run-off Desks
The reverse bevel edge appears on three sides of the worksurface top, as shown to the right, and increases the depth of the top by 2½".

Adjustable Height Desks
The reverse bevel edge location varies according to its worksurface. When it appears on two sides, the depth of the worksurface increases by 2½". When the bevel appears on one side only, it increases the depth by 1¼". Dimension changes only happen when there is no overhang.

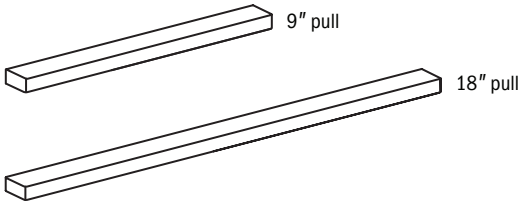

Tables
The reverse bevel edge location varies, as shown to the right, and increases the depth of the top by 2½" on the rectangle table.

Flux General Options

Pulls and Pull Orientation

Ledge Pull

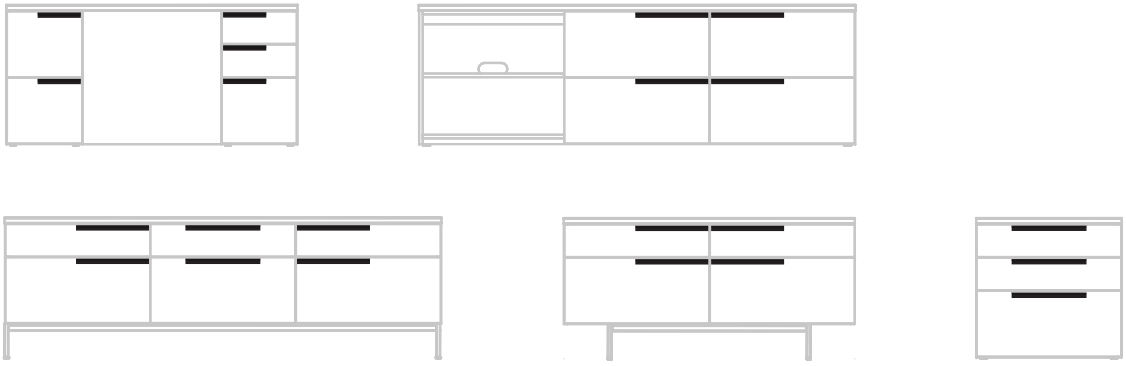

- Standard on all Flux products
- Available in Arctic Silver, Matte Black, Soft Nickel or Pewter
- Ledge pull is considered part of the aesthetic of Flux and has unique orientation on the product. See chart below for these locations.
- Ledge pull length is determined by drawer/door width as follows:

9″ pull	drawers/doors 18″ wide or less
18″ pull	drawers/doors wider than 18″

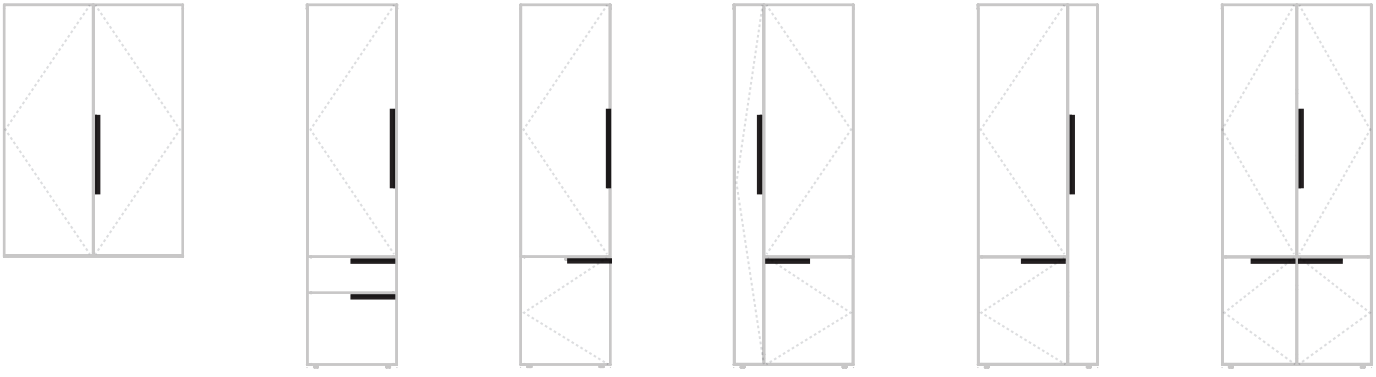

Prism Pull

- Optional – must be specified at the time of order placement
- Available in Arctic Silver, Matte Black, Soft Nickel or Pewter
- Prism pull is mounted in the center of drawers on all drawer and lower doors widths. Upper pulls on worksurface towers or wardrobes are mounted on the right door only.

Lower Drawer/Door Ledge Pull Location

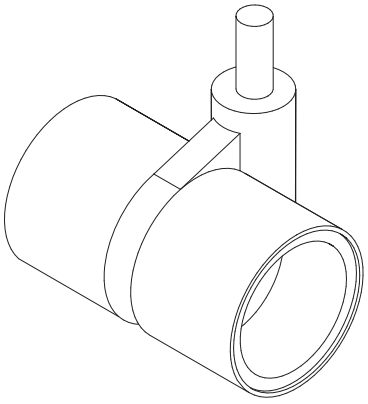

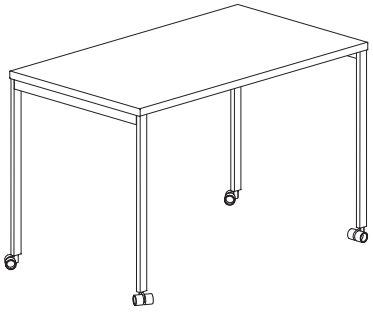

Tower/Wardrobe Ledge Pull Location

Flux General Options

Caster Option
Flux offers a dual wheel caster option with freestanding and four-star base tables, in place of standard feet. Casters are gray when paired with Arctic Silver or Soft Nickel metal legs, or black with Pewter metal legs.

Freestanding tables with legs
Available with 2 locking and 2 non-locking casters

4-star base tables
Available with 4 locking casters

Modesty Panel Options
Flux offers optional modesty panels for table desks, adjustable height desks, returns, bridges and credenzas. Reference the diagrams below for the modesty panel location on each unit.

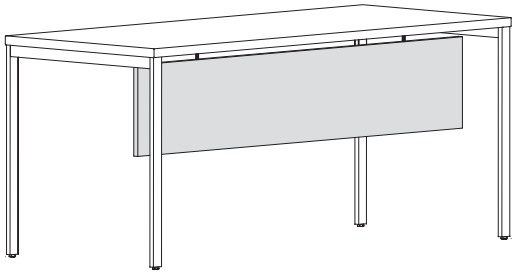

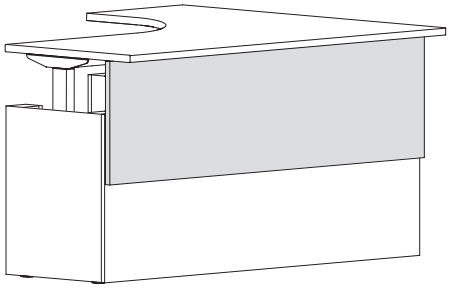

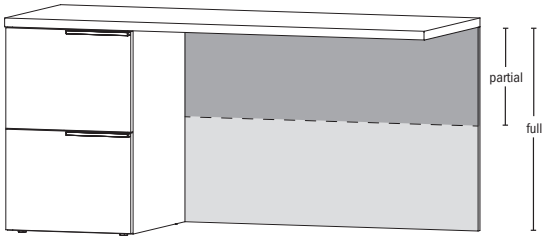

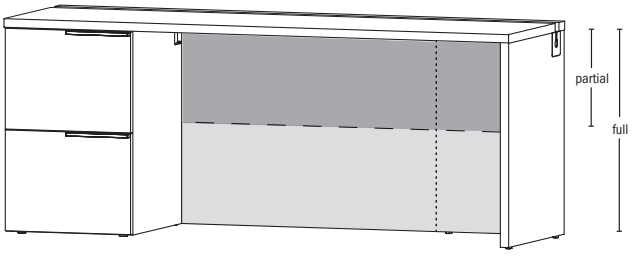

Table Desks
12″ suspended modesty panels are available on table desks, peninsula desks, and run-off desks.

Adjustable Height Desks
Modesty panels are available on adjustable height desk shells. The modesty panel mounts in front of the desk and moves with the top.

Returns and Bridges
Partial or full modesty panels are available on return and bridge units.

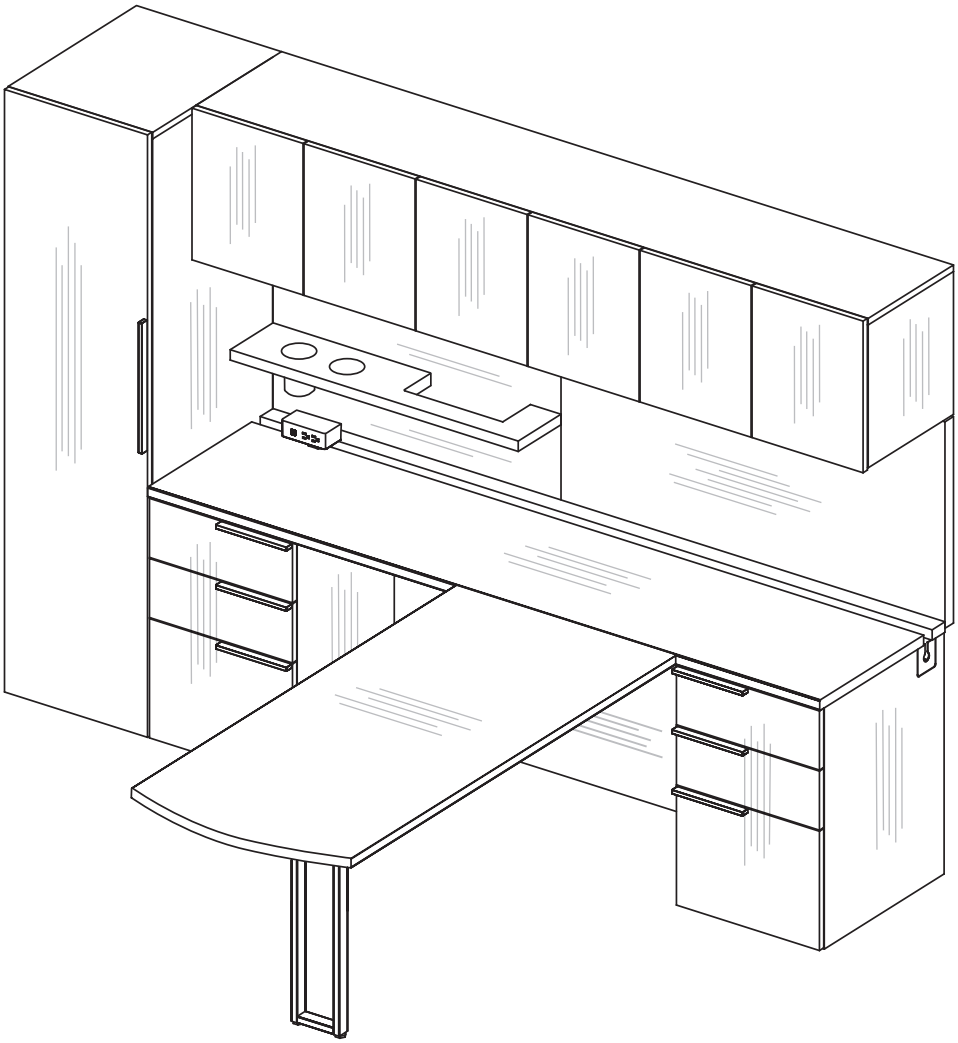

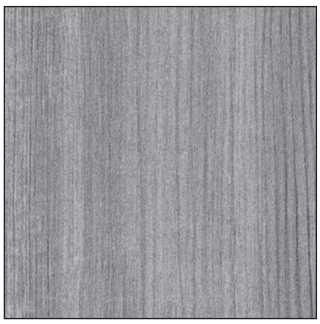

Credenzas
Partial, full or removable modesty panels are available on credenzas.

Flux Applied Materials

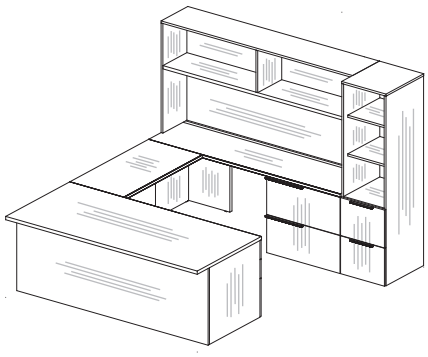

Laminate Grain Direction

Laminate grain runs vertical as standard on all vertical surfaces except back panels, wall panels, kneespace access panels, and desk fronts wider than 60″, which run horizontal. Worksurfaces run long grain except for bridges, returns, and peninsula and run-off tops 60″and shorter, which run short grain. Below are typical examples of laminate grain direction.

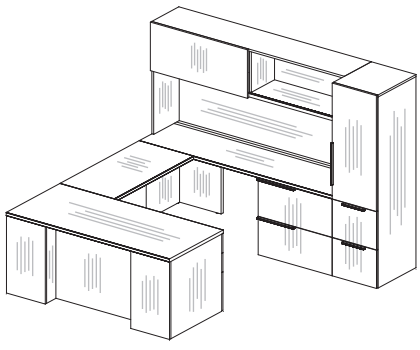

Laminate Grain
Laminate grain direction varies according to its casegood surface. Refer to the diagrams on this page for examples of standard direction.

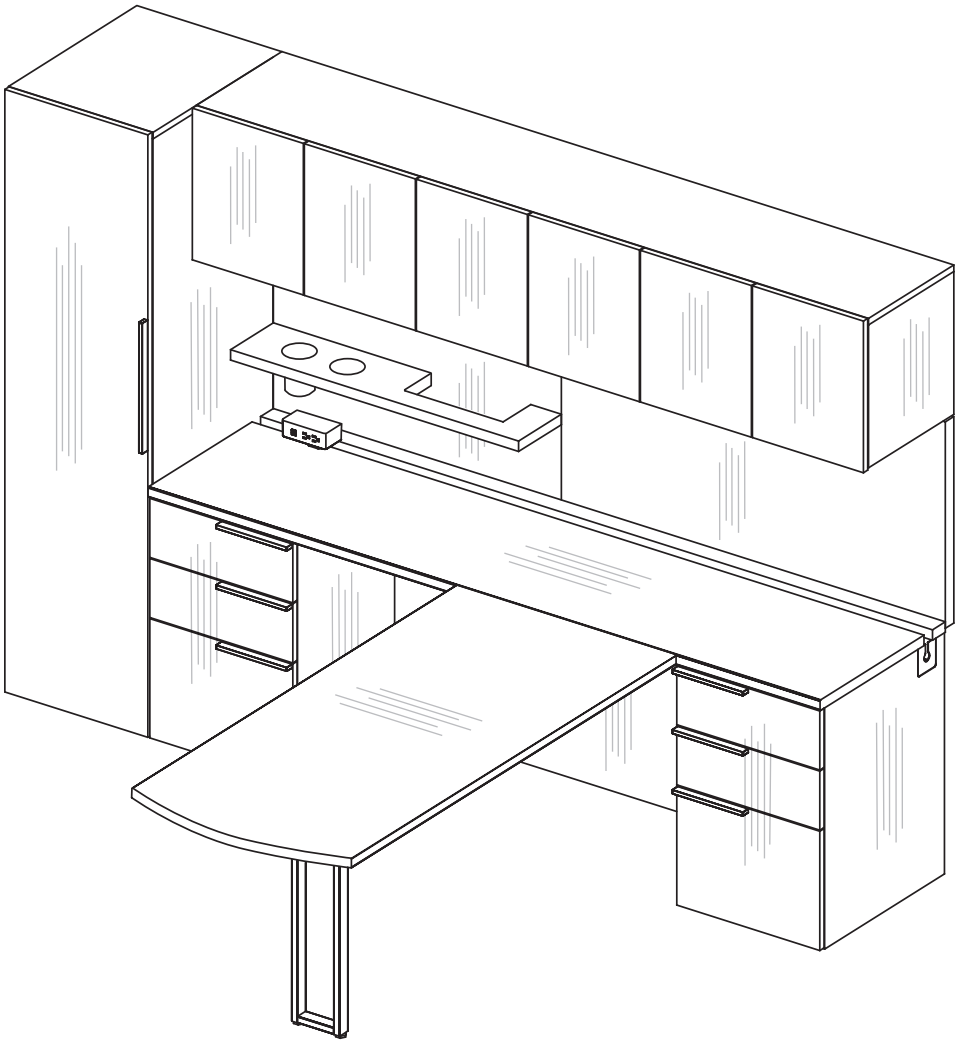

Flush Front Desk U Unit with Open Storage

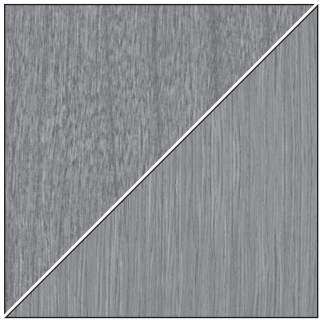

Breakfront Desk U Unit with Closed Storage

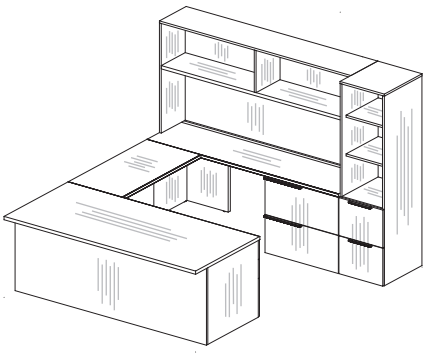

Flux Applied Materials

Flat Cut Veneer/Double Cut Veneer Grain Direction
Flat Cut and Double Cut veneer grain runs vertical on all vertical surfaces. Worksurfaces run long grain except for bridges, returns, peninsula and run-off tops, which run short grain. Below are typical examples of vertical veneer grain direction.

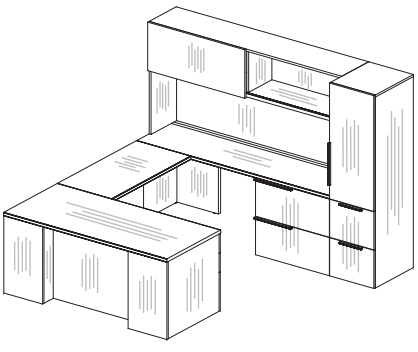

Flat Cut/ Double Cut Grain
Flat Cut grain runs vertical as standard. Double Cut grain may be specified to run vertical; specify at the time of order placement. See diagrams on this page for examples and exceptions.

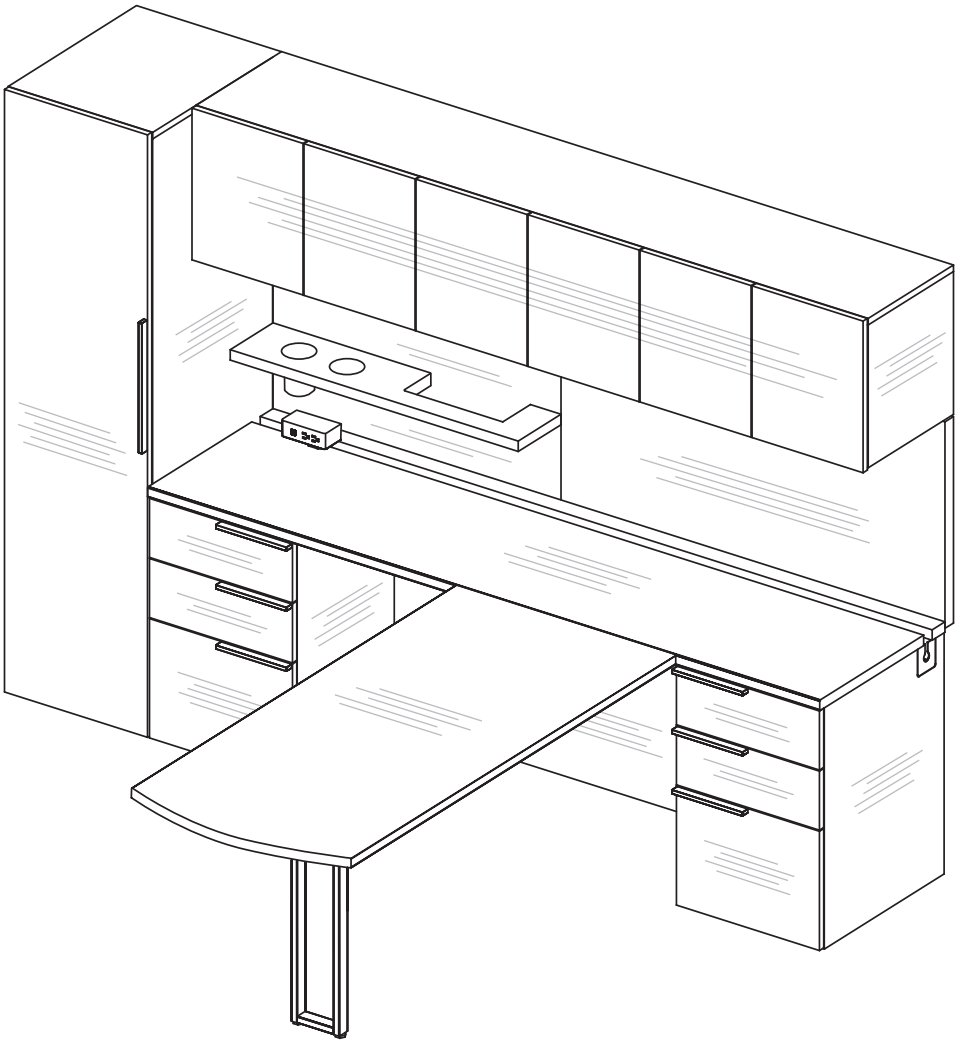

Flush Front Desk U Unit with Open Storage

Breakfront Desk U Unit with Closed Storage

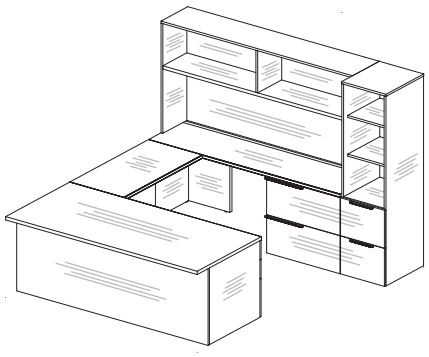

Flux Applied Materials

Double Cut Horizontal Grain Direction
Double Cut veneers may be specified with a horizontal grain direction on all surfaces. Worksurfaces run long grain except for bridges, returns, peninsula and run-off tops, which run short grain. Below are typical examples of horizontal Double Cut veneer grain direction.

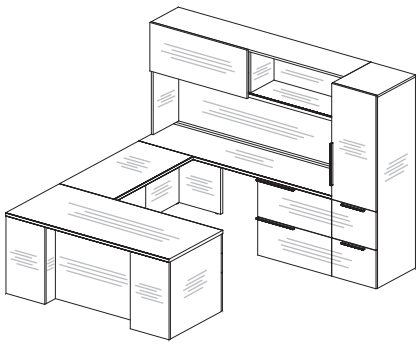

Double Cut Horizontal Grain
Double Cut grain may be specified to run horizontal; specify at the time of order placement. Refer to the diagrams on this page for examples.

Flush Front Desk U Unit with Open Storage

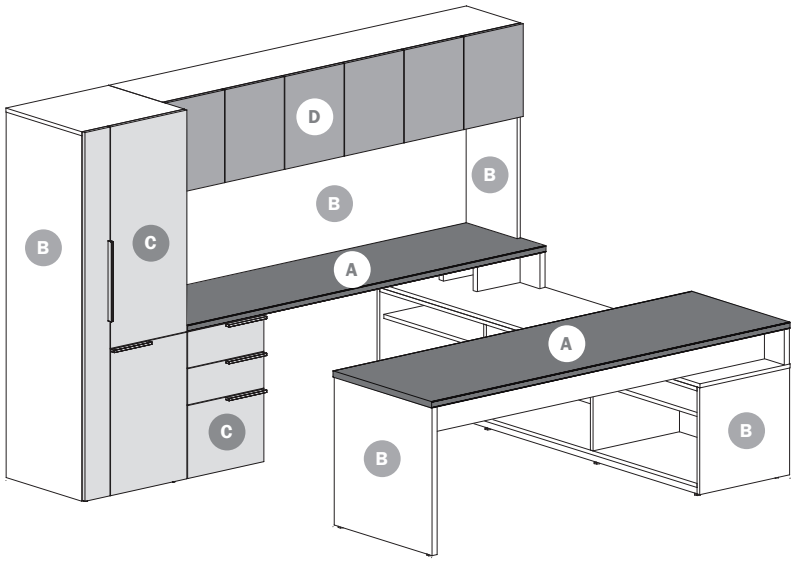

Breakfront Desk U Unit with Closed Storage

Flux Applied Materials

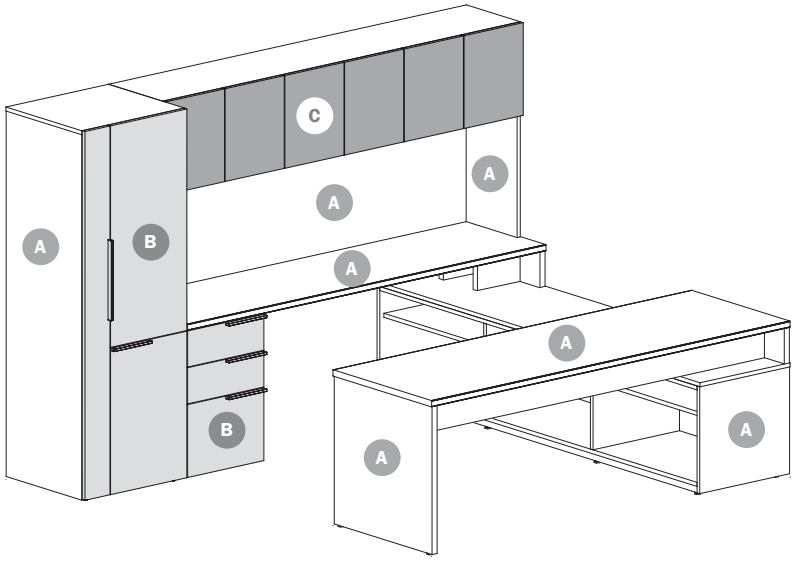

Flux Color Scheme

Flux offers the flexibility to specify contrasting drawer and door fronts, or a contrasting worksurface for laminates, separate from the standard chassis selection. See the options available below, depending on whether laminate or veneer is specified for the chassis.

Laminate Surface Options

- A = **Worksurface**
  Laminate – see page 35 for selection
- B = **Chassis**
  Laminate – see page 35 for selection
- C = **Drawer and Door Fronts**
  1. standard – same as chassis selection
  2. optional – contrasting laminate from standard selection
- D = **Overhead and Worksurface Storage Doors**
  1. standard – same as chassis selection
  2. optional
     a. contrasting laminate from standard selection
     b. white back painted glass doors in an aluminum frame – see page 61
     c. markerboard laminate with silver PVC edge see page 61

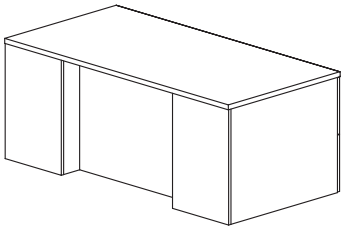

Veneer Surface Options

- A = **Worksurface and Chassis**
  Veneer – see page 35 for selection
- B = **Drawer and Door Fronts**
  1. standard – same as chassis selection
  2. optional – paint color (vertical maple veneer substrate) – see page 35 for color selection
- C = **Overhead and Worksurface Storage Doors**
  1. standard – same as chassis selection
  2. optional
     a. paint color (vertical maple veneer substrate) see page 35 for color selection
     b. white back painted glass doors in an aluminum frame – see page 61
     c. markerboard laminate with silver PVC edge see page 61

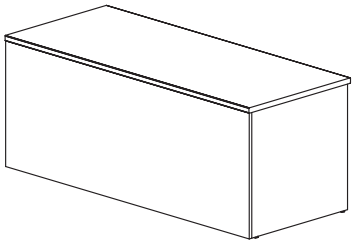

Flux Desk Details

Pedestal Desks

Product Overview
The Flux pedestal desk is available with a break front or flush front. Options for wire management vary depending on the selected desk.

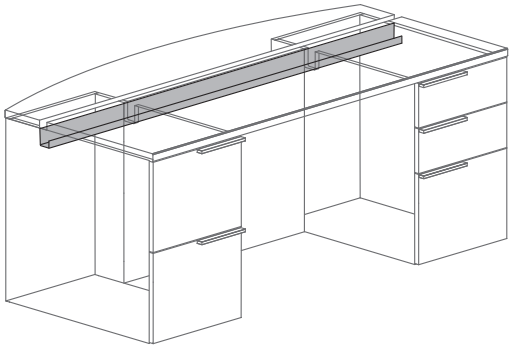

Break Front Desk
Pedestal access door optional

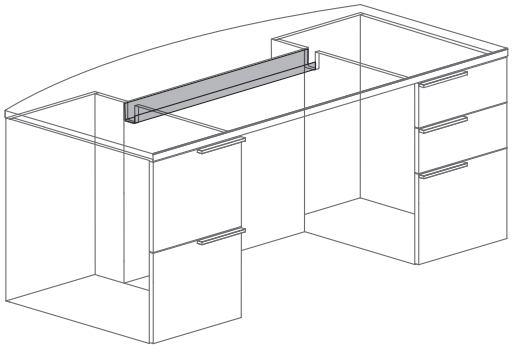

Flush Front Desk

Wire Manager Tray

Desks with a split top have a continuous wire manager tray as a standard feature.

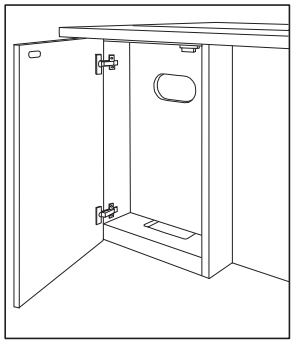

Note: desks do not have side end panel grommets.

A wire manager tray can be ordered on desks with solid tops by optioning in the pedestal access door (available on break front desks) or by ordering a continuous wire manager tray.

Note: it is recommended that with either of these options, a top grommet be specified.

Pedestal Access Doors
Available on the front of break front desks to conceal cords. Both right and left pedestals of desk will have the access door with this option.

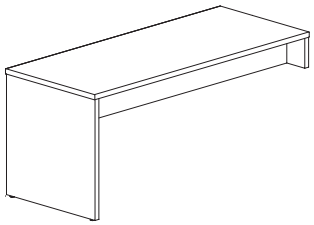

Flux Desk Details

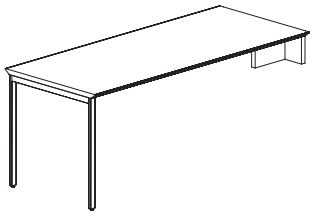

Peninsula Desk with Secondary Credenza Support

Product Overview – Peninsula Desk

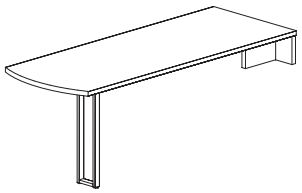

The Flux peninsula desk, which mounts to the top of a secondary height credenza for support, is available in a variety of top shapes and base styles. Edge profile and modesty panel options vary according to the style selected. Below are a few examples of top and base combinations.

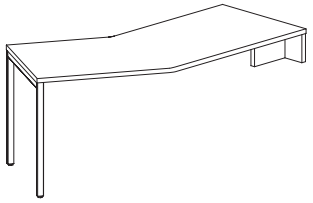

Rectangle Peninsula Table Desk with End Panel Support
Eased Edge only
Partial Modesty Panel standard

Rectangle Peninsula Table Desk with End Leg Assembly
Reverse Bevel Edge optional
Partial Modesty Panel optional

Arc End Peninsula Table Desk with Frame Base
Reverse Bevel Edge optional
Partial Modesty Panel optional

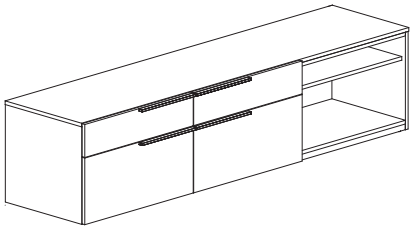

Boomerang Peninsula Table Desk with End Leg Assembly
Reverse Bevel Edge optional
Partial Modesty Panel optional

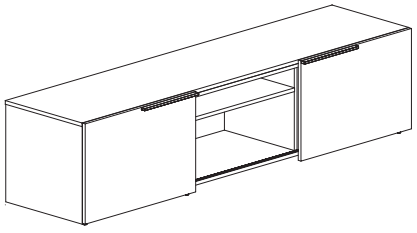

Product Overview – Secondary Height Credenza

The peninsula desk mounts to — and must be specified with — a secondary height credenza with an open compartment or sliding door compartment. See secondary height credenzas on pages 222-245 for pricing.

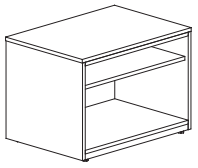

Secondary Credenza Examples

open compartment

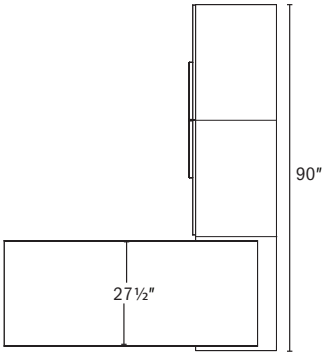

sliding door compartment

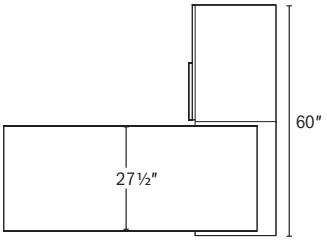

open compartment

Layout Requirements

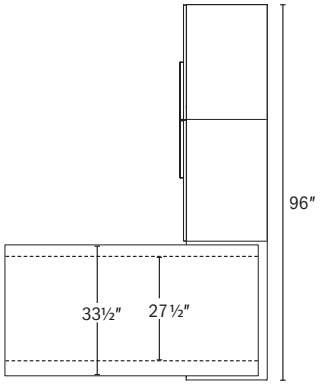

27 ½″ desk can pair with any open compartment. 33 ½″ desk pairs with an open compartment 32″ or greater in width.

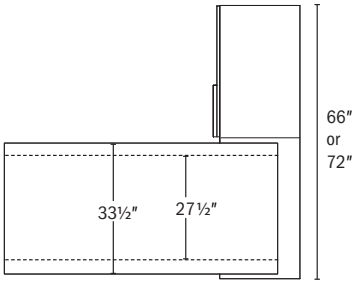

90″w credenza:
use 27 ½″d desk

60″w credenza:
use 27 ½″d desk

96″ credenza:
use 27 ½″d or 33 ½″d desk

66″ or 72″ credenza:
use 27 ½″d or 33 ½″d desk

Flux Desk Details

Ordering the Secondary Height Credenza

When ordering the credenza, the mounting location for the peninsula desk must be specified as Left (L), Center (C) or Right (R), and the peninsula depth must be specified (22″, 27 ½″ or 33 ½″). A cut out for a power module in the credenza top may be specified by adding the letter E to the order code.

Mounting Code Table

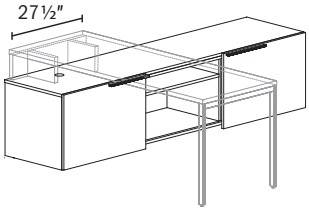

Peninsula Depth	Left Mount	Center Mount	Right Mount	Left Mount with Power	Center Mount with Power	Right Mount with Power
22″	L22	C22	R22	L22E	C22E	R22E
27 ½″	L28	C28	R28	L28E	C28E	R28E
33 ½″	L34	C34	R34	L34E	C34E	R34E

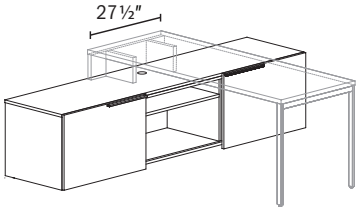

Mounting Code Examples

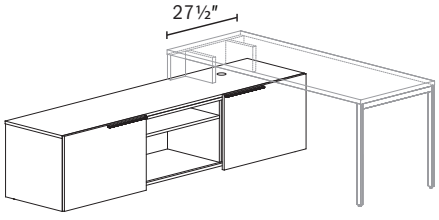

L 28 = mounts **Left,** with a **27 ½″-deep** peninsula desk

C 28 = mounts **Center,** with a **27 ½″-deep** peninsula desk

R 28 = mounts **Right,** with a **27 ½″-deep** peninsula desk

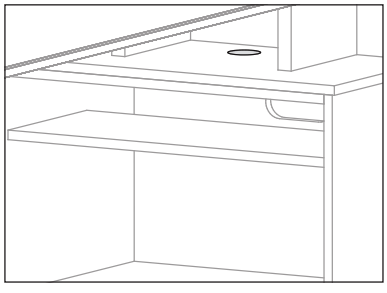

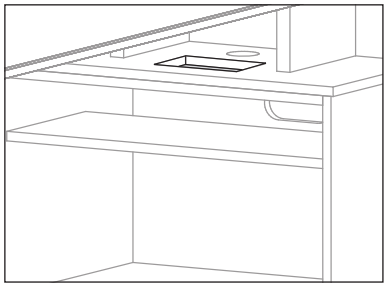

Technology Integration

Each mounting location comes with a 2 ½″–diameter grommet for wire management. An EC26 power module cut out may also be added, and must be specified when ordering by adding the letter E to the mounting code. The power module must be ordered separately. See page 476.

2 ½″–diameter grommet

EC26 power module cut out

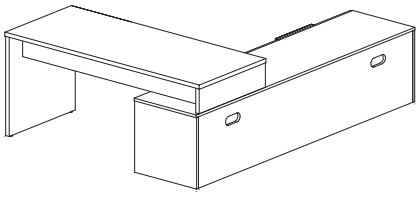

Power Module Cut Out Code

L 28 E

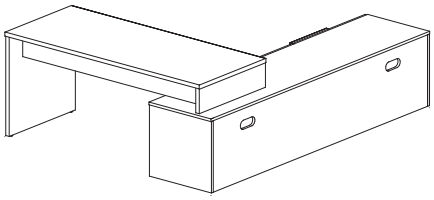

The grommet and EC26 power module locations are predetermined when selecting the peninsula mounting options; additional grommets or EC26 power modules can be specified at other locations on the secondary credenza. See page 75.

Flux Desk Details

Placement Locations
The peninsula desk may mount flush to the back panel of the credenza, or offset 5″ to allow for an overhead hutch. Placement locations can be selected during field installation.

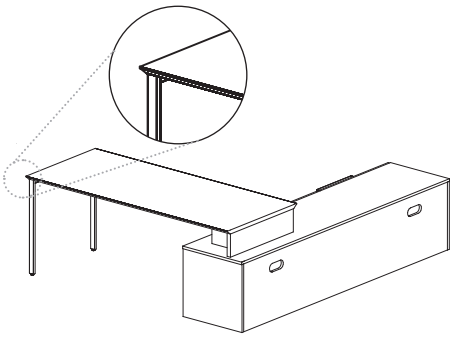

Placement 1 – Flush with Credenza Back
Can be used when no overhead storage is specified in the layout.

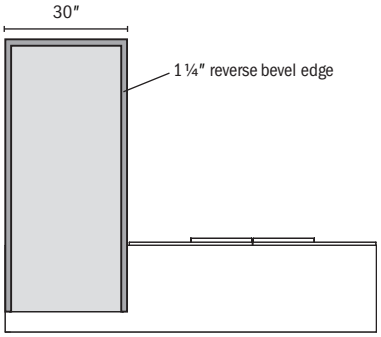

Placement 2 – Offset 5″ from Back Panel
Must be used when placing an overhead on the secondary credenza.

Note: the overall foot print grows by 5"

Reverse Bevel Edge Rules
A reverse bevel edge adds 1¼″ to the front of the desk top. Overheads that mount on the secondary credenza cannot be used with peninsula desks with reverse bevel edges. For more on edge profiles, see page 38.

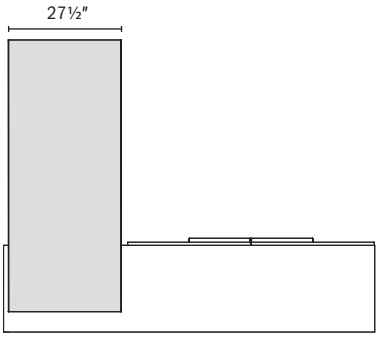

Peninsula desk with reverse bevel edge

Plan view of peninsula with reverse bevel edge

Note: lacks required space for overhead mounting

Plan view of peninsula with standard eased edge

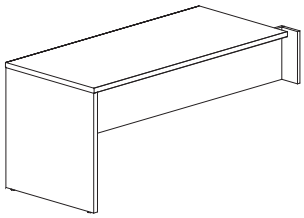

Note: allows room for overhead mounting

Flux Desk Details

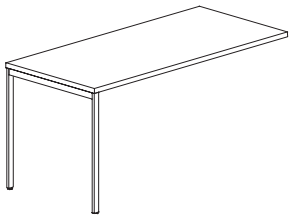

Run-off Desks

Product Overview

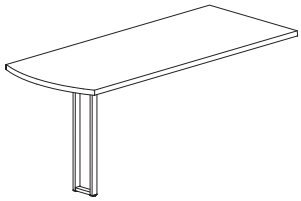

The Flux run-off desk, which mounts perpendicular to primary height credenzas, is available in a variety of top shapes and base styles. Edge profile and modesty panel options vary according to the style selected. Below are a few examples of top and base combinations.

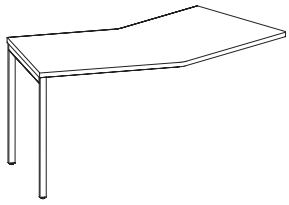

Rectangle Run-off Desk with End Panel Support
Eased Edge only
Partial Modesty Panel standard

Rectangle Run-off Desk with End Leg Assembly
Reverse Bevel Edge optional
Partial Modesty Panel optional

Arc End Run-off Desk with Frame Base
Reverse Bevel Edge optional
Partial Modesty Panel optional

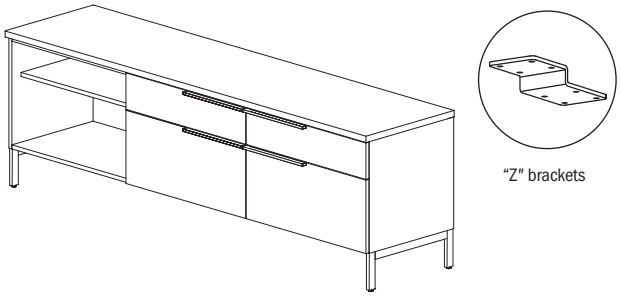

Boomerang Run-off Desk with End Leg Assembly
Reverse Bevel Edge optional
Partial Modesty Panel optional

Run-off Desk Attachment

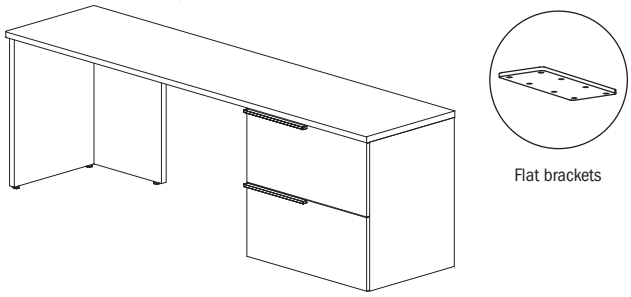

The run-off desk mounts perpendicular to primary height units, and ships with two sets of brackets, for two types of credenzas attachments:

(1) Open Compartment Credenza

The run-off desk can be mounted to a credenza with open compartments. It attaches to the underside of the credenza with **"Z" brackets**. Run-off desks can not be mounted in sliding door compartments.

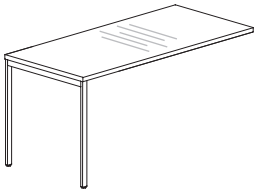

(2) Open Corner, Shell or Modular Credenza

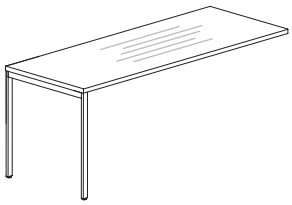

The run-off desk can be mounted to an open corner credenza, credenza shell, or modular credenza. It attaches to the underside of the credenza with **flat brackets**. Use this type of credenza with run-off desks that have End Panel Supports with standard modesty panels.

Grain Direction

Grain direction runs "short" on run-off tops, though laminate tops longer than 60" run long grain. For more details, please reference grain direction on pages 41-43.

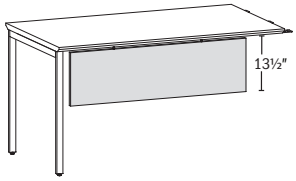

Short Grain
All veneer run-off tops
Laminate tops 60" or shorter

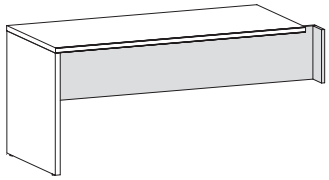

Long Grain
Laminate tops longer than 60"

Modesty Panels

13½"-high hanging modesty panels are available for desks with End Leg Assembly or Frame Base. Desks with an End Panel Support come standard with an integrated modesty panel.

Hanging Modesty Panel
Optional for desks with metal bases

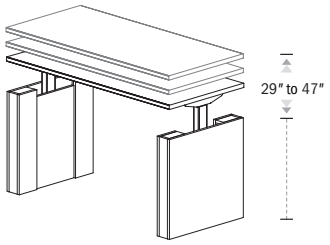

Integrated Modesty Panel
Standard with End Panel Support desks

Flux Desk Details

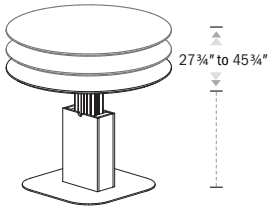

Adjustable Height Desks and Tables

Product Overview

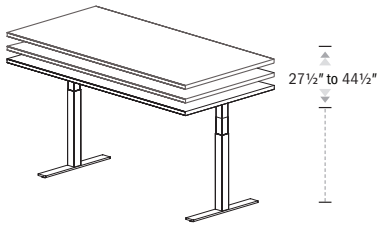

Flux adjustable height desks and tables are available in a variety of top shapes and base styles, with pneumatic or electrical lift mechanisms. Metal finishes, wire management and modesty panel options vary according to the style selected. Below are various styles with adjustable height ranges.

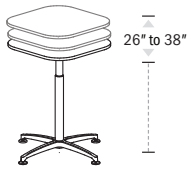

Adjustable Height Desks, Credenzas and Returns
Electrical lift mechanism
Adjustable range of 18″

Adjustable Height Table Desks (meeting tables)
Electrical lift mechanism
Adjustable range of 18″
Round, square or rectangle shapes

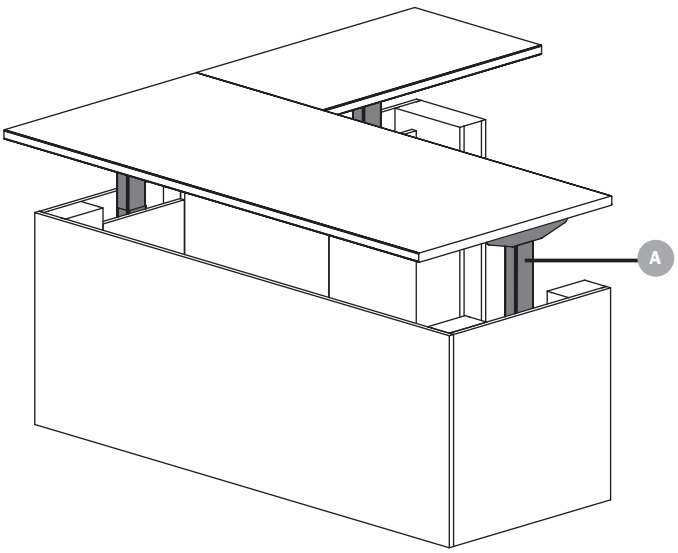

Adjustable Height Tables
Electrical or pneumatic lift mechanism
Adjustable range of 17″

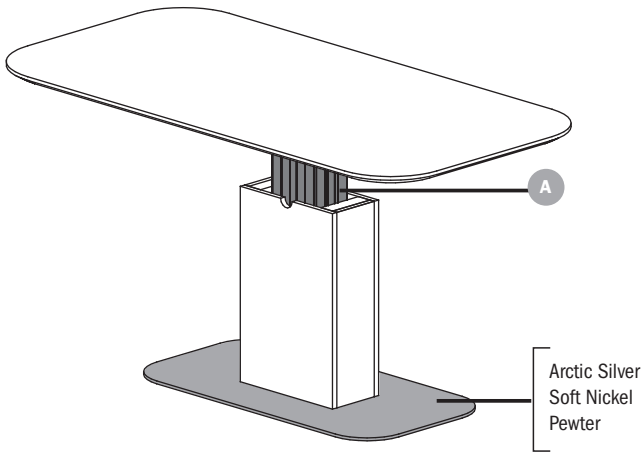

Side Tables
Pneumatic lift mechanism
Adjustable range of 12″
Round, square or rectangle shapes
Nest with primary worksurfaces

Color Scheme

The finish on the adjustable lift column (A) will automatically be silver if you select Arctic Sliver or Soft Nickel metal.
If Pewter metal is selected, the lift column (A) will be black.

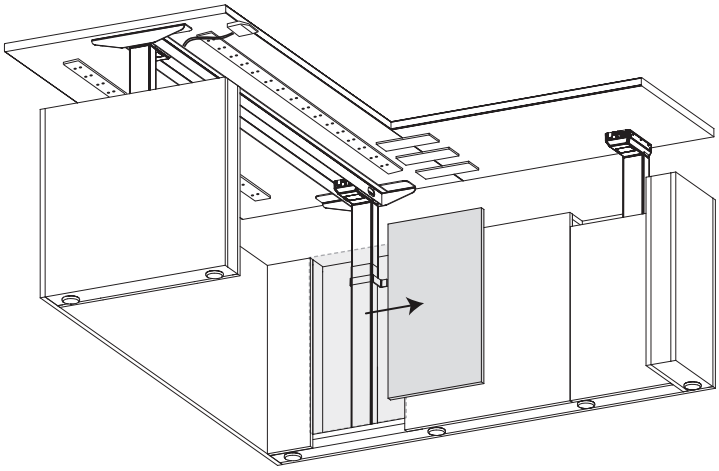

Metal finishes on electric adjustable height tables available in Alloy or Matte Black.
Metal finishes on pneumatic adjustable height tables available in Stardust Silver or Black Sandtex.

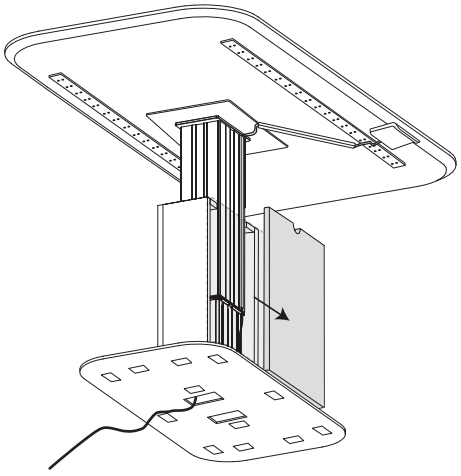

Flux Desk Details

Wire Management

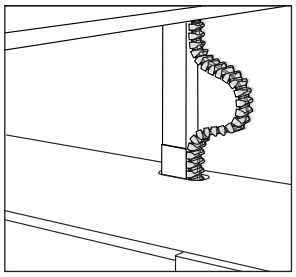

Removable panels allow access to the lift columns and also provide wire management.

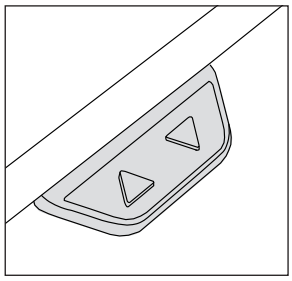

Removable panel shown from underside of adjustable height desk.

Electrical cord exits through the bottom side of the plate. Neoprene leveling pads allow the cord to lay flat.

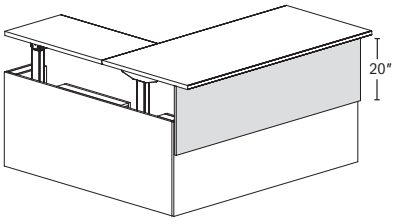

A flexible wire manager is included on adjustable desks, returns and credenzas.

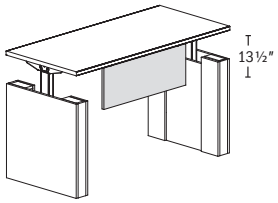

Controller can be mounted anywhere along top perimeter.

Optional Modesty Panel

An optional modesty panel can be added to an adjustable height desk or table desk.

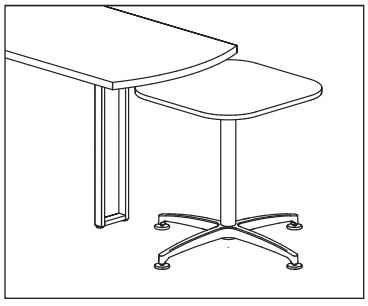

Adjustable Height Desk
Modesty panel mounts to the front of desk with overhang.

Adjustable Height Table Desk
Modesty panel mounts in between the end panels.

Nesting Side Table

Adjustable height side tables are designed to nest with primary height worksurfaces.

Flux Product Details

Credenzas

Product Overview

The Flux credenza is available as a 29¼″ primary height credenza, or as a shorter, 21¼″ secondary height credenza. Both heights come in three base styles as shown below.

Primary Height

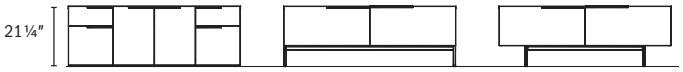

29F
Primary height
Extends to the floor

29L
Primary height
Elevated on legs

29S
Primary height
Elevated on inset legs

Secondary Height

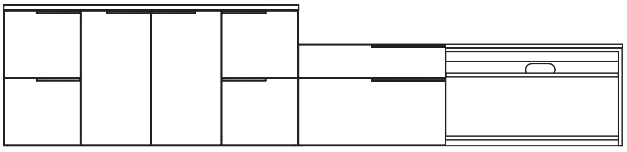

21F
Secondary height
Extends to the floor

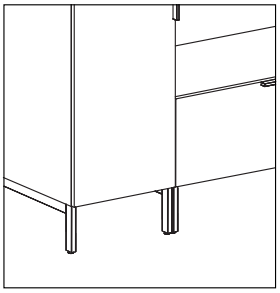

21L
Secondary height
Elevated on legs

21S
Secondary height
Elevated on inset legs

Drawer Alignment

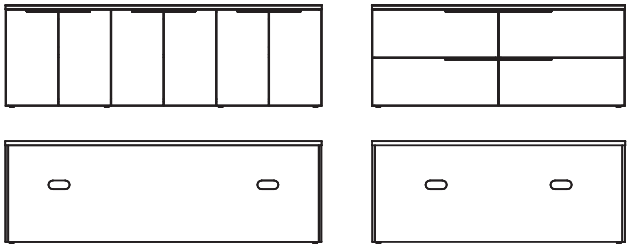

Drawers align between primary and secondary heights.

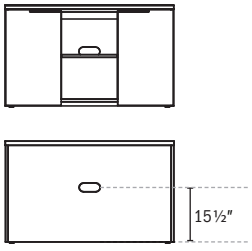

Legs pair up with adjacent units.

Credenza Oval Grommet Rules

Oval grommets for wire management are standard in all storage credenzas. Oval grommets in back panels can be eliminated upon request at no upcharge. Oval grommets are not offered in kneespace credenzas, open corner credenzas, modular pedestals, and pedestals under 18″w.

2 Grommets
Credenzas 60″w or greater with multiple storage compartments or drawer stacks have 2 grommets

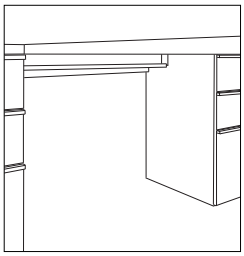

1 Grommet
Credenzas under 60″w have 1 grommet

Flux Product Details

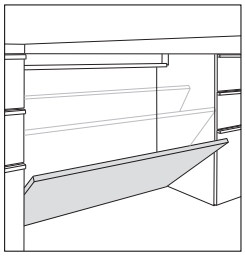

Credenza Options

Modesty Panel

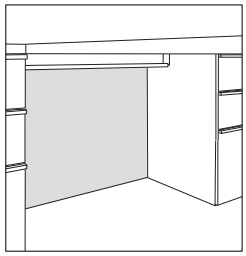

A modesty panel can be added as an option to Kneespace and Open Corner Credenzas.
A partial modesty panel, full modesty panel or removable modesty panel are available.

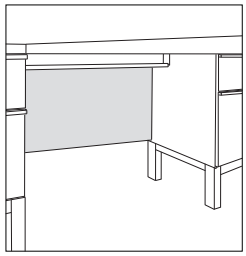

Standard without modesty panel

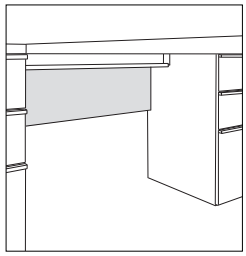

Removable modesty panel

Fixed full height modesty panel

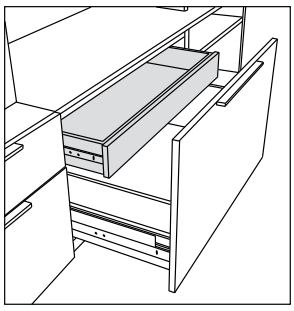

Fixed full height modesty panel with legs

Fixed partial modesty panel

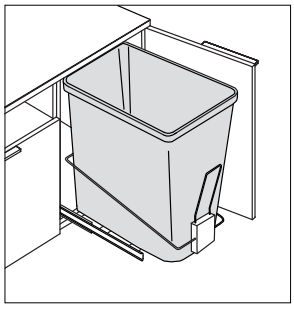

Concealed Drawers

Concealed drawers are available on credenzas with box/lateral file drawer configurations. This offers one continuous front.

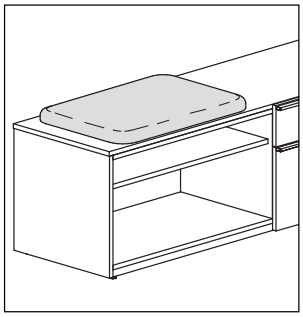

Trash Cans

Primary height credenzas with 18″ wide hinge door storage can be outfitted with a trash can.

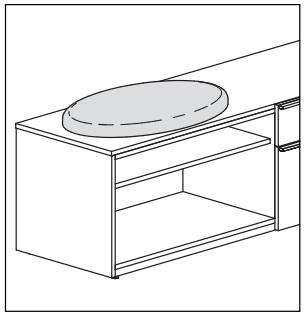

Seat Cushions

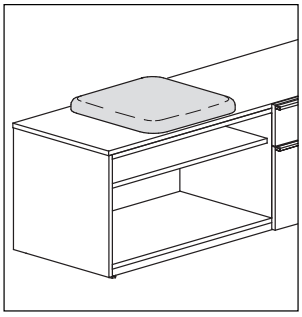

Seat Cushions are available in Rectangle, Oval, Square and Round and can be ordered separately for use on secondary credenzas.

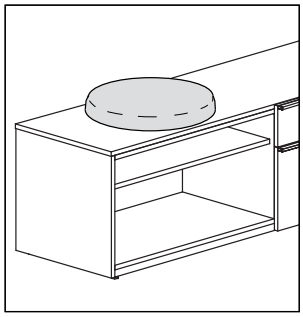

Rectangle seat cushion

Oval seat cushion

Square seat cushion

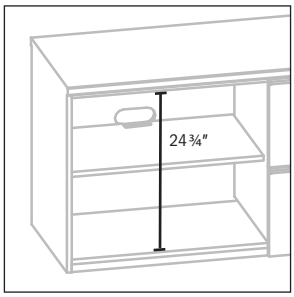

Round seat cushion

Overhead Cabinets, Wall Mount Overheads and Wall Panel Stack-ups

Product Overview

Flux overhead cabinets, wall mount overheads and wall panels, when combined with lower storage, create an overall height of 69 ¼″ or 81¼″. Overhead cabinets are available in three heights: 40″, 48″ or 52″. Wall mount overheads are available in two heights: 17″ or 29″ (add ¼″ to overall height for self-pull). Wall panels are available in four heights to accommodate various combinations of use to create the overall height of 69 ¼″ or 81¼″. Wall panels include laminate, veneer, tackboard, markerboard, magnetic glass, and workwall panels.

48″ Overhead Stack-up Options (with Secondary Height Credenza)

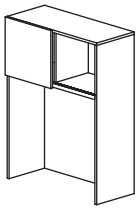

A 48″ overhead may be composed of: A storage cabinets/towers, B wall mount overheads paired with wall panels or C tall wall panels, creating an overall unit height of 69 ¼″ when added to a secondary height credenza.

A

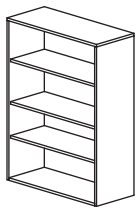

Open Storage Cabinet

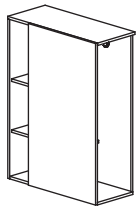

Sliding Door Cabinet

Hinged Door Storage Tower

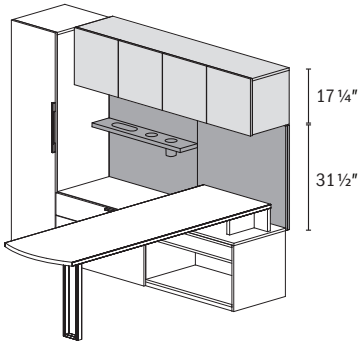

Open Shelf Storage Tower

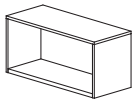

Side Wardrobe with Open Shelf

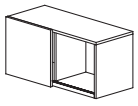

See pages 328-337 and 398-399 for additional storage cabinet and tower options.

B

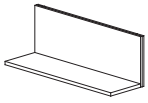

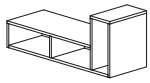

Open Storage

Sliding Door

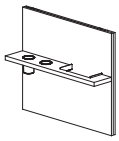

Shelf

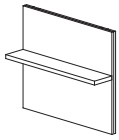

Cubby

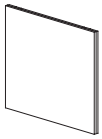

See pages 353-367 for additional wall mount overhead options.

Panel with Accessory File Shelf

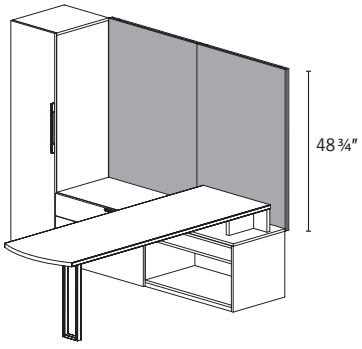

Panel with Mini Shelf

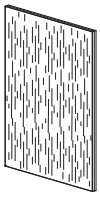

Wall Panel (laminate, veneer, tack panel, markerboard or glass)

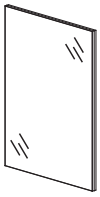

See pages 372-375 and 384-387 for additional wall mount wall panel options.

C

Laminate or veneer panel

Glass Markerboard

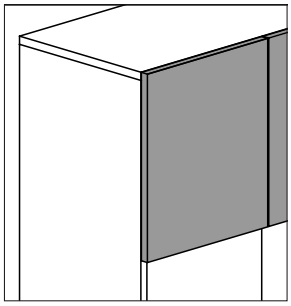

Tack Panel

See pages 380-383 for additional wall mount wall panel options.

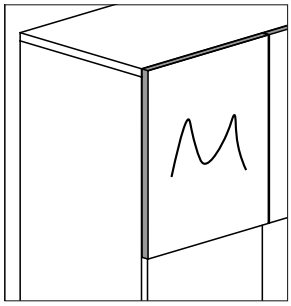

Flux Product Details

Overhead Options

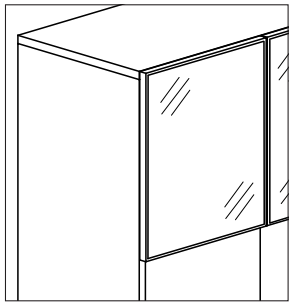

Overhead Cabinet Doors
Contrasting door fronts, markerboard laminate fronts and white back painted glass fronts are available on overhead doors.

Contrasting laminate door fronts with any JSI standard laminate, or painted veneer fronts in JSI standard painted finishes.

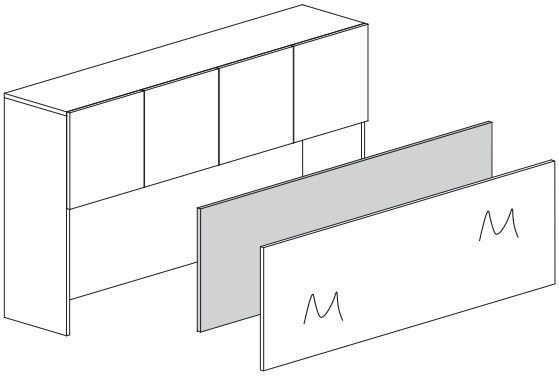

White markerboard laminate with silver vinyl wrapped door edges

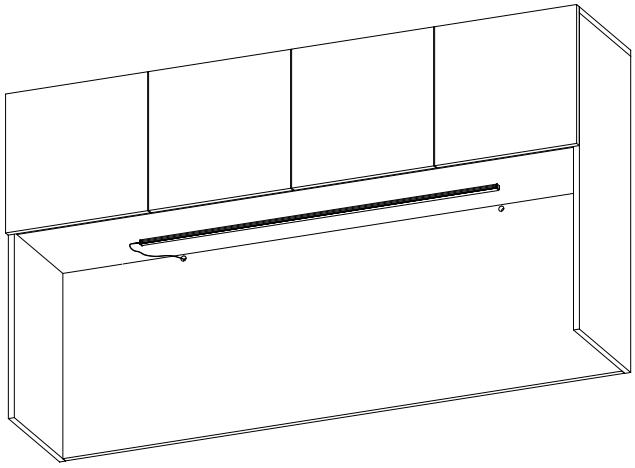

White back painted glass in a thin aluminum frame, with markerboard surface (locking not available on overhead with glass doors)

Overhead Cabinet Panels
Tackboard or laminate markerboard panels are available in overhead cabinets. Specify separately. Panels attach with dual lock fasteners.

Tasklights
Flux tasklights are available for overhead cabinets. Specify separately. Grommet holes for wire management are ⅝″ diameter for the Flux tasklight. Refer to the chart to the right for the recommended tasklight length according to overhead cabinet width.

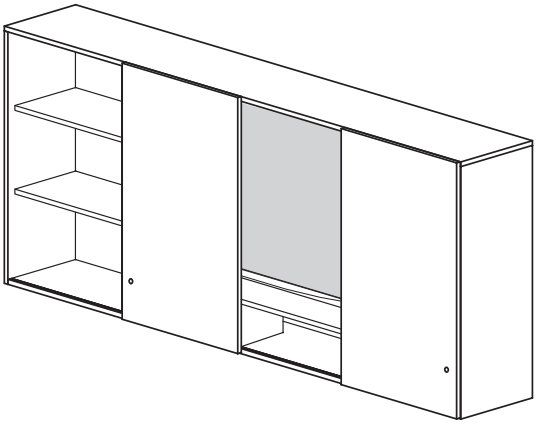

Overhead Width	Tasklight Model Number	Tasklight Length
96″	TL60LEDF	60″
90″	TL60LEDF	60″
84″	TL45LEDF	45″
78″	TL45LEDF	45″
72″	TL45LEDF	45″
66″	TL45LEDF	45″
60″	TL39LEDF	39″
54″	TL27LEDF	27″
48″	TL27LEDF	27″
42″	TL27LEDF	27″
36″	TL27LEDF	27″
30″	TL27LEDF	27″

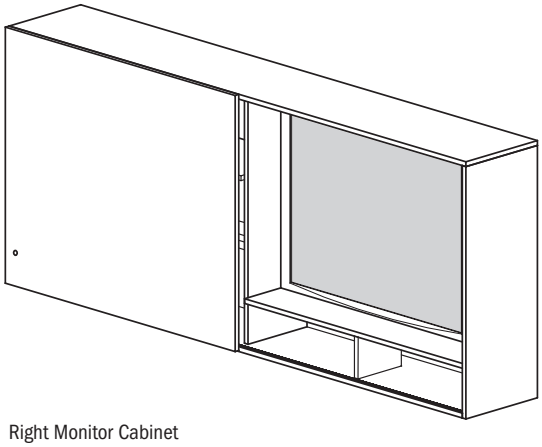

Flux Product Details

Monitor Cabinets

Monitor cabinets allow a dual purpose layout: personal storage compartment and media compartment are available in various widths (96″, 90″, 84″, 78″, 72″, 66″, and 60″) and configurations. Monitor cabinets should be used with primary height credenzas.

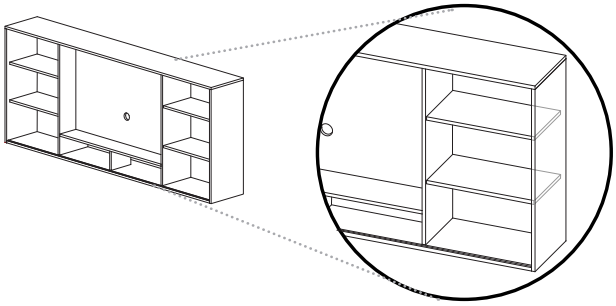

Center Monitor Cabinet

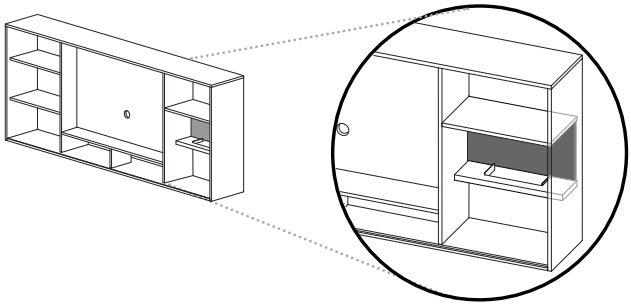

Right Monitor Cabinet

Center Monitor Cabinet Options

Center monitor with dual side shelf storage

Note: doors removed to show interior configurations

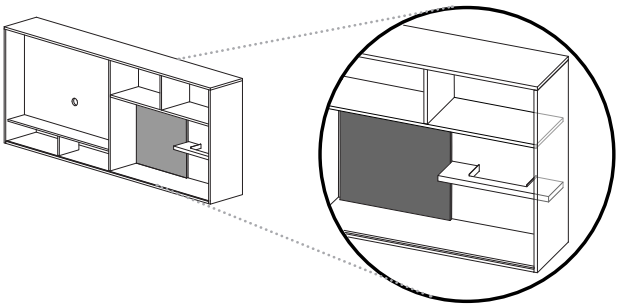

Center monitor with one side shelf storage and other side work-in-process storage (right or left), tackboard above filing shelf

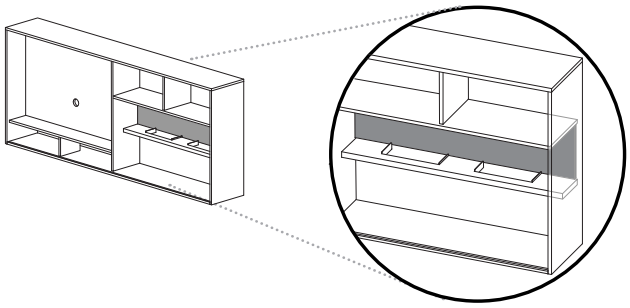

Note: doors removed to show interior configurations

Flux Product Details

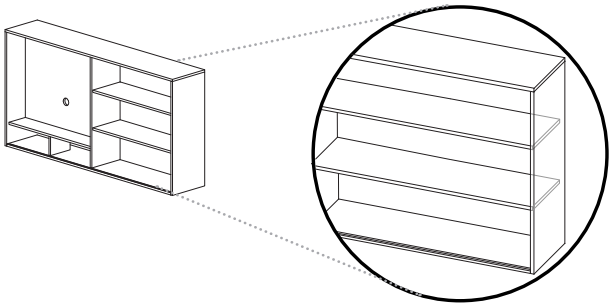

Right or Left Monitor Cabinet Options

Right or left monitor with side work-in-process storage and side tackboard
Available only on 96", 90", and 84"cabinet widths

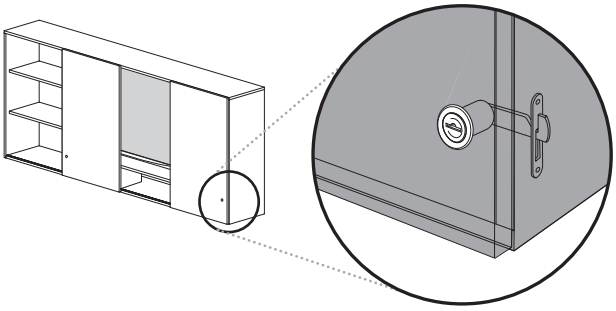

Right or left monitor with work-in-process storage and tackboard above filing shelf

Right or left monitor with side shelf storage
Available only on 78", 72", 66"and 60"cabinet widths

Locking
Locks are standard on all sliding doors on monitor cabinets. Only the personal storage locations lock; monitor sections do not lock.

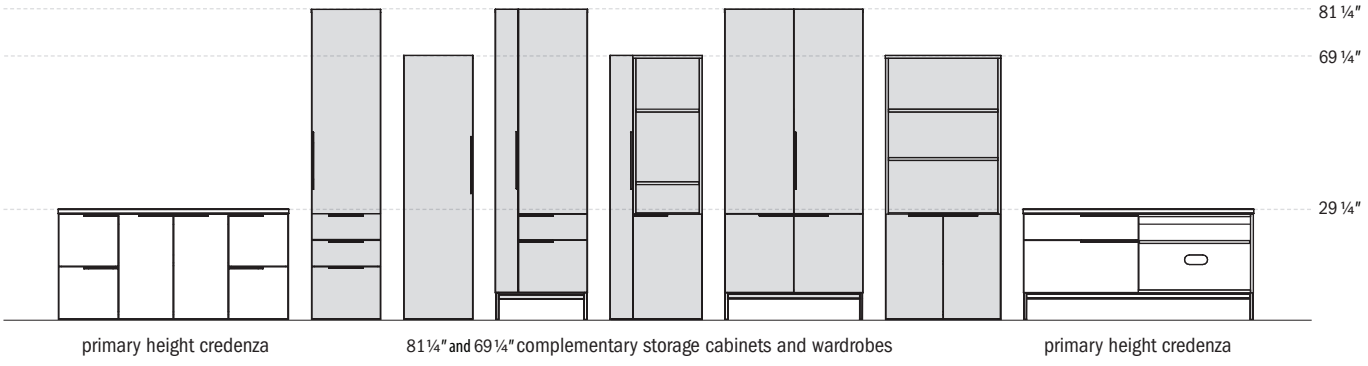

Compartment Sizes
Use the chart below to determine the maximum monitor size allowed.

Cabinet Width	Monitor Section Interior Width	Maximum Monitor Size
95 7/8"	48"	45"w x 29"h
89 7/8"	45"	42"w x 29"h
83 7/8"	42"	39"w x 29"h
77 7/8"	39"	36"w x 29"h
71 7/8"	36"	33"w x 29"h
65 7/8"	33"	30"w x 29"h
59 7/8"	30"	27"w x 29"h

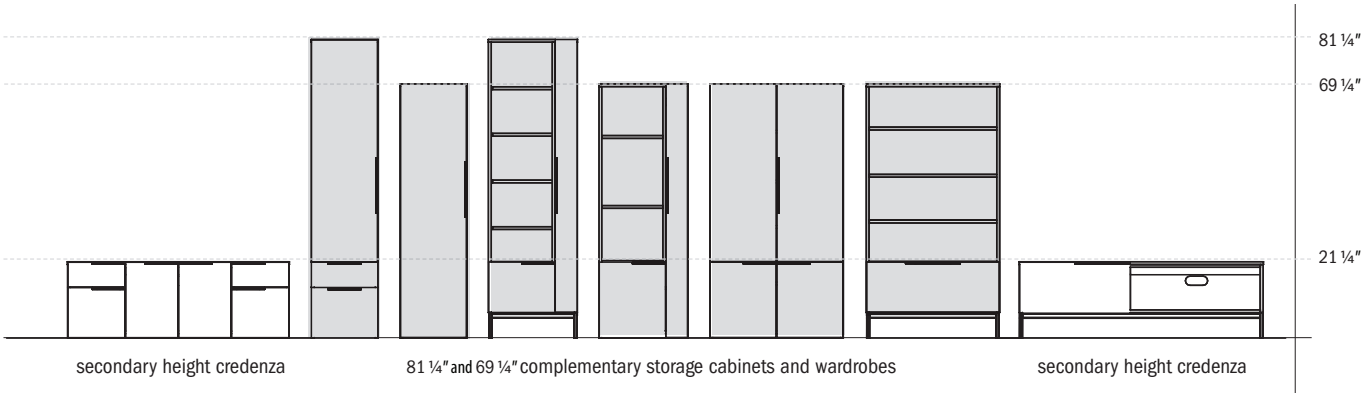

Flux Product Details

Storage Cabinets and Wardrobes

Flux offers a large range of storage cabinets to align with primary height credenzas (18″, 24″, 30″ and 36″ widths; with 81 ¼″ and 69 ¼″ heights).

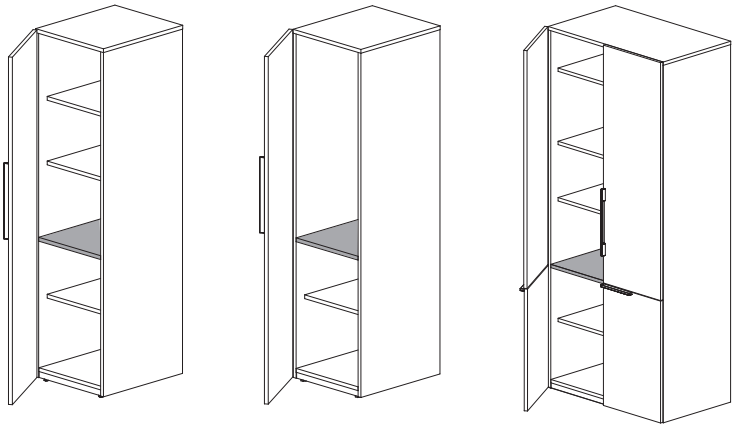

Flux offers a large range of storage cabinets to align with secondary height credenzas (18″, 24″, 30″ and 36″ widths; with 81 ¼″ and 69 ¼″ heights).

Fixed Shelf

All wardrobe cabinets with doors have a fixed shelf. All other shelves are adjustable.

Storage Cabinet and Wardrobe Options

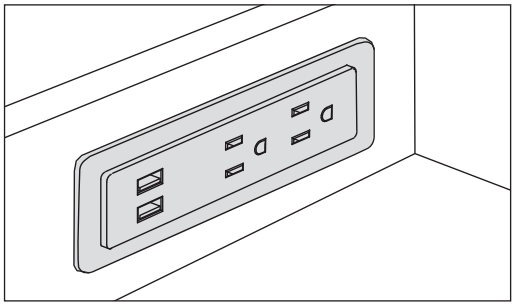

Pantry Drawer

A pantry pull out drawer is a standard offering in storage cabinets and wardrobes without legs. Drawers are equipped with a support caster on the front underside of the drawer.

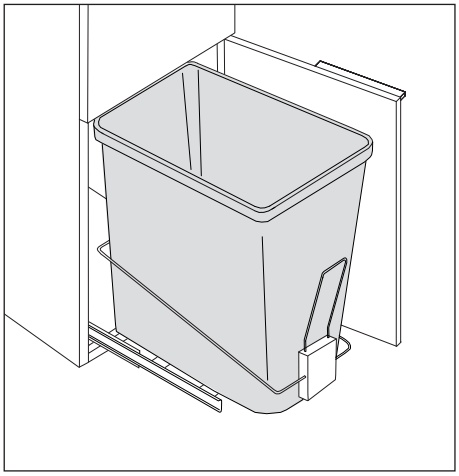

Underside of pantry pull out drawer highlighting support caster.

Optional electrical is available in the inside drawer and must be specified. Includes 2 grounded duplex and 2 USB charging outlets. Specify color.

Trash Cans

Storage Cabinets that work with primary height credenzas without legs, with lower hinge door storage, can be outfitted with a pull out trash can. Trash can is included.

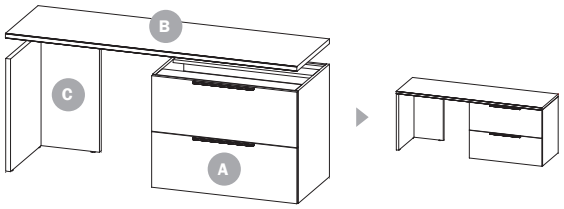

Flux Product Details

Modular Components

Modular items can be created by **(1)** adding tops to modular units or **(2)** using a credenza shell with a modular credenza shell pedestal. Hardware is included.

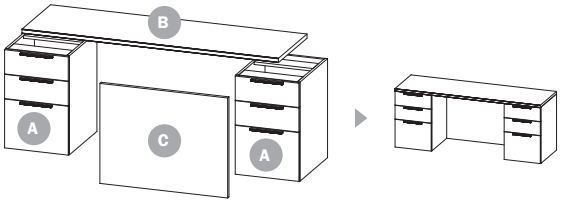

(1) Modular Top Construction

Example 1.1 – Open Corner Credenza

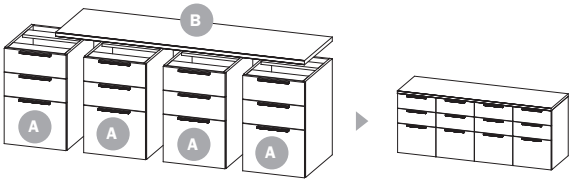

A = 36″w x 22″d modular lateral file
B = 72″w x 22″d modular primary height credenza top
C = 18″w x 22″d modular credenza wing end (left)
(Open spans over 48" require special consideration, consult with Customer Service)

Example 2.1 – Kneespace Credenza

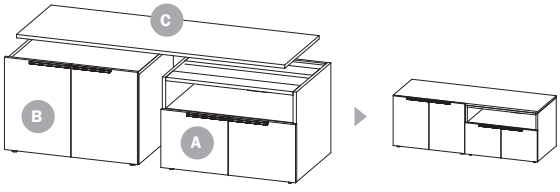

A = (qty 2) 18″w x 22″d modular pedestal
B = 72″w x 22″d modular primary height credenza top
C = 28″h x 36″w modular credenza modesty panel
(Open spans over 48" require special consideration, consult with Customer Service)

Example 3.1 – Storage Credenza

A = (qty 4) 18″w x 22″d modular pedestal
B = 72″w x 22″d modular primary height credenza top

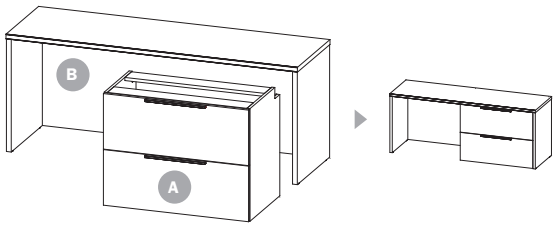

Example 4.1 – Secondary Height Credenza

A = 30″w x 22″d modular hinged door storage with open shelf
B = 30″w x 22”d modular hinged door storage
C = 60″w x 21″d modular secondary height credenza top

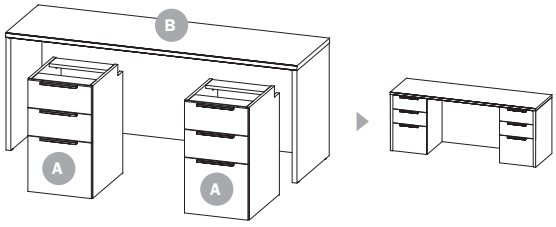

(2) Credenza Shell Construction

Example 1.2 – Open Corner Credenza

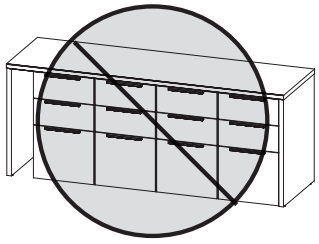

A = 36″w x 21″d modular credenza shell lateral file
B = 72″w x 22″d credenza shell
(Requires attachment to back of credenza and to underside of top)

Example 2.2 – Kneespace Credenza

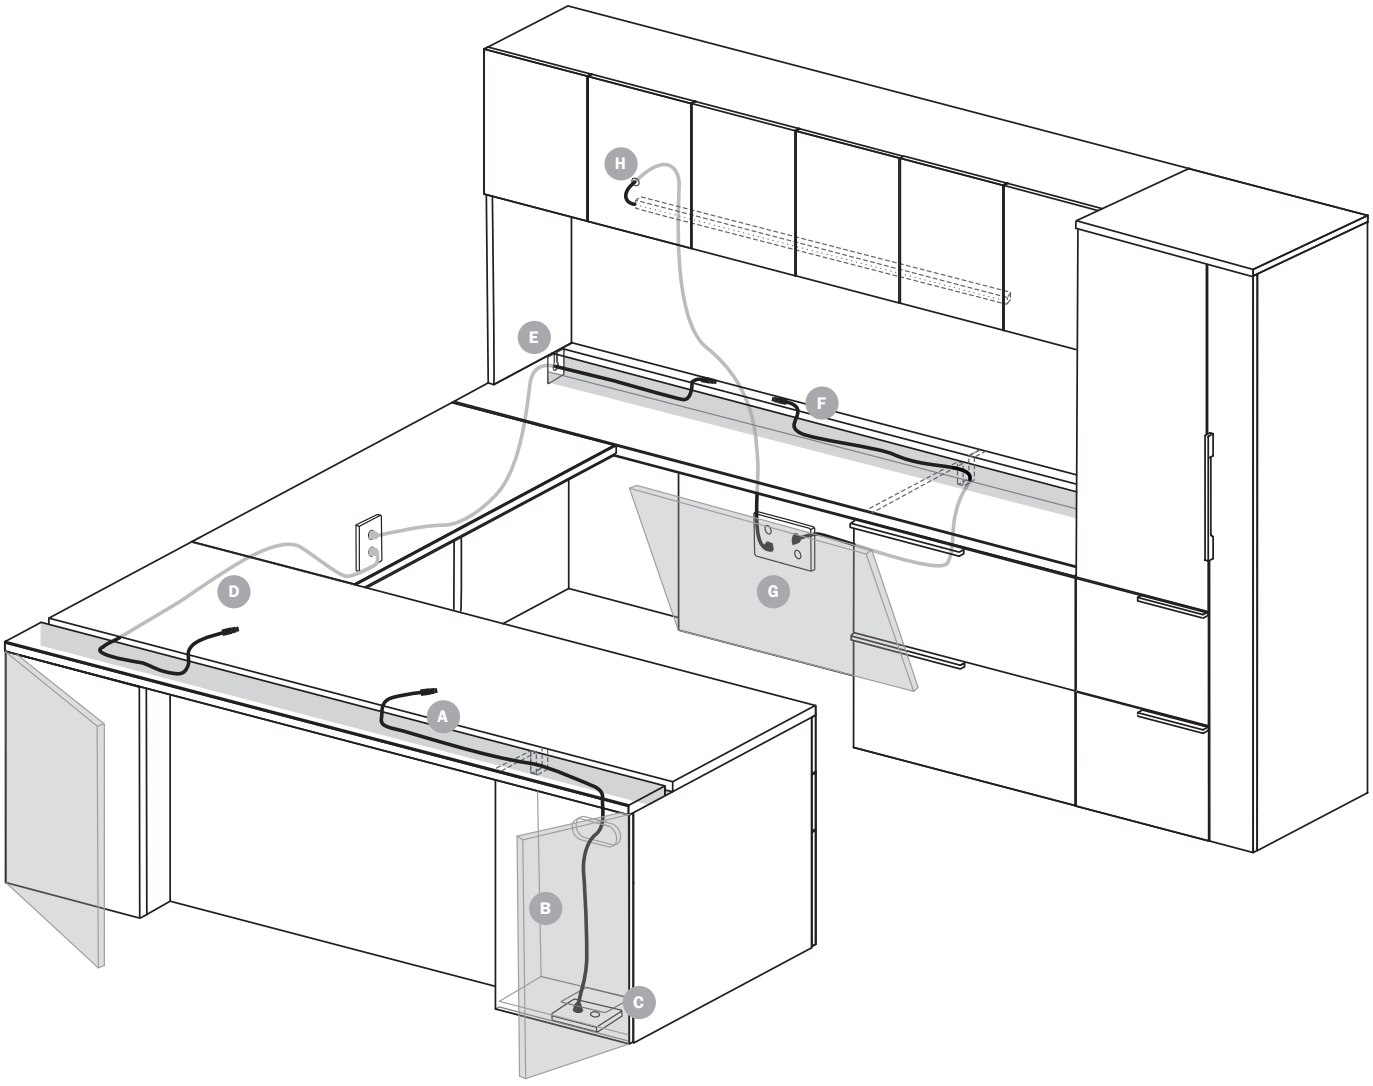

A = (qty 2) 18″w x 21″d modular credenza shell pedestal
B = 72″w x 22″d credenza shell
(Requires attachment to back of credenza and to underside of top)

There is no combination of modular components that will allow a credenza shell to be filled between end panels; kneespace or open corner is required.

Flux Technology

Power Access and Wire Management
Breakfront Pedestal Desk U Unit

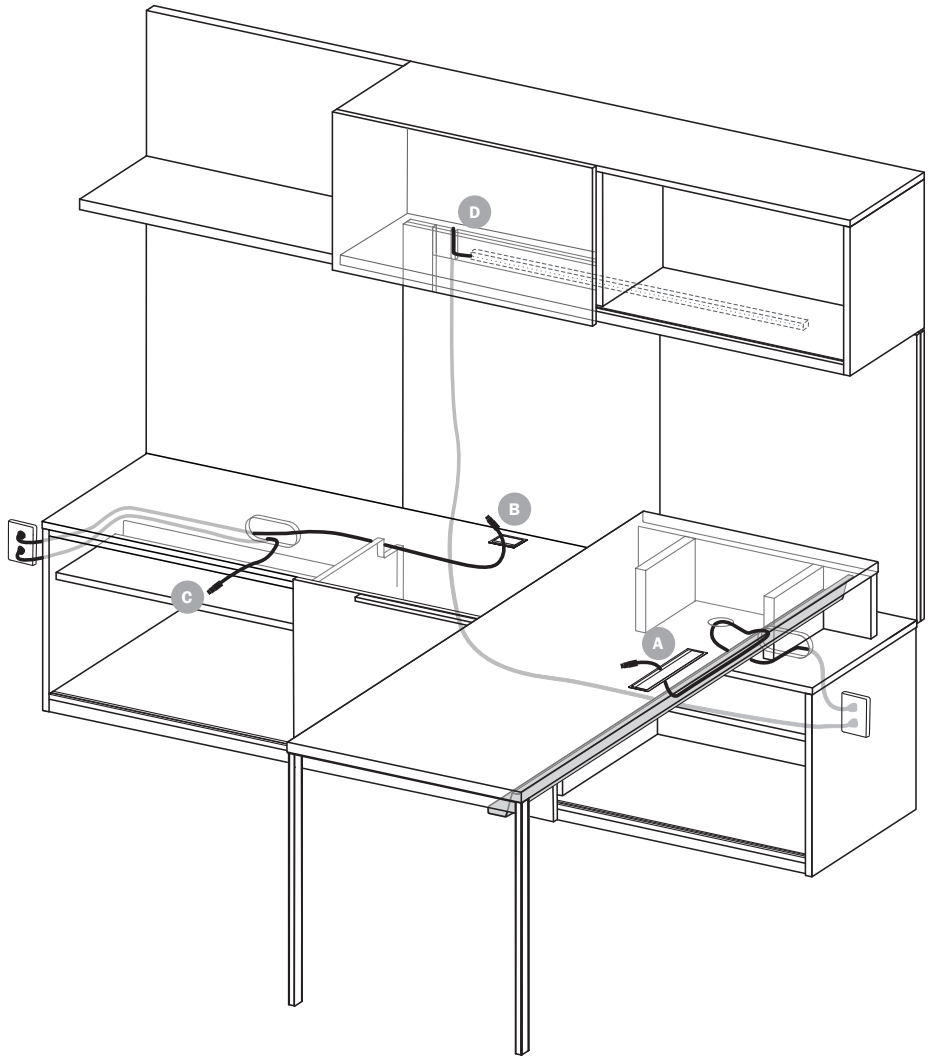

Wiring Paths

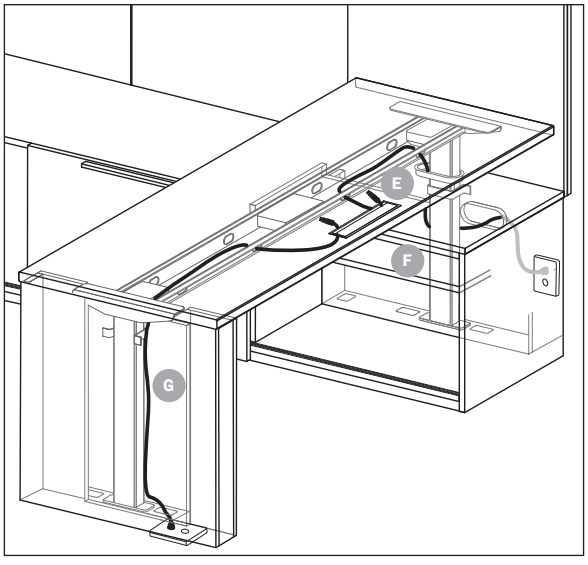

- A = Split top allows wires to fall off at any location on the desk top
- B = Pedestal access doors allow access to wiring or power supply
- C = Hole in cabinet bottom allows for floor monument access
- D = Wiring can be routed through the desk, under bridge and back to the credenza
- E = End panel grommet in credenza allows wiring to exit the layout
- F = Split top allows wires to fall off at any location on the credenza top
- G = Optional removable modesty panel allows for access to wall electrical outlet
- H = ⅝″ holes in back panel allow TL—LED tasklight wires to be routed down the exterior of overhead back

Flux Technology

Power Access and Wire Management
Peninsula Desk with Secondary Storage

Adjustable Height Peninsula Desk with Secondary Storage

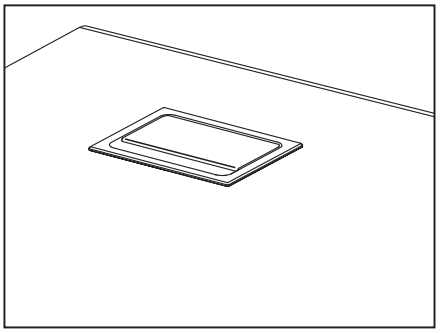

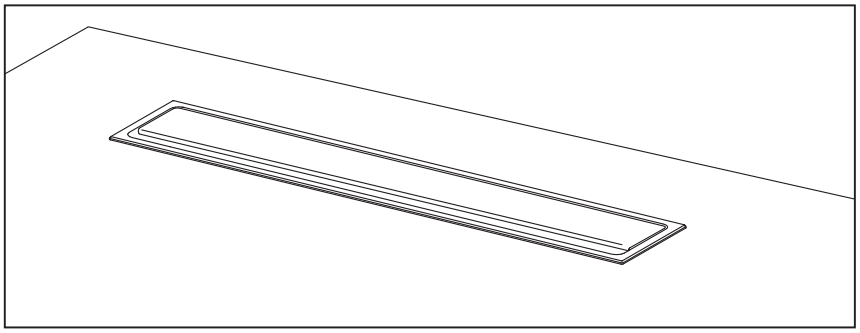

Wiring Paths

- A = Optional 12″ grommet allows wiring to run into optional wire channel, through the standard top credenza grommet and out the back panel's oval grommet
- B = Optional 3″ grommet allows wiring to enter the credenza compartment, move through the notched inside panels and out the back panel's oval grommet
- C = Wiring for equipment can exit out the oval back grommet
- D = Tasklight wiring can exit back side of the wall panels
- E = Optional 12″ grommet allows wiring to run into the adjustable height support rails then to a standard flexible wire manager into the lift mechanism compartment and out the back panel's oval grommet
- F = Snap-on panel allows access to the lift mechanism compartment for access to the back oval grommet
- G = Snap-on panel on the inside peninsula desk end allows access to the interior of the lift mechanism compartment to route wiring to floor monuments

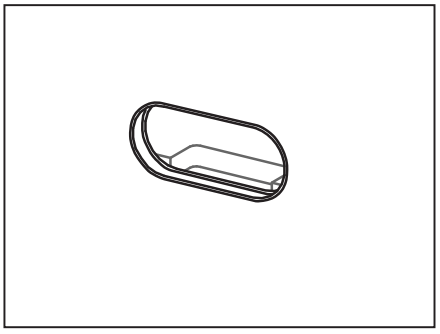

Flux Technology

Grommets and Worksurface Power

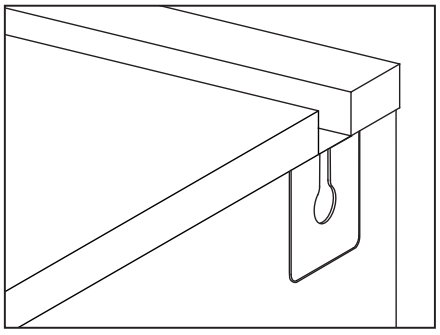

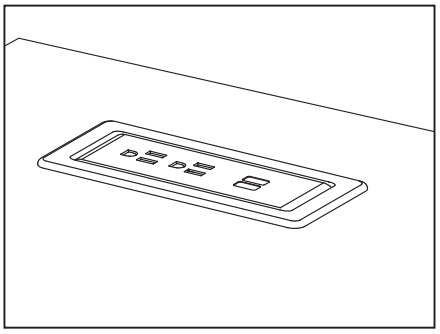

Optional Grommets
Flux offers two sizes of optional grommets: 3″ (2½″) and 12″ (11½″) grommets, available in arctic silver, soft nickel or pewter. Grommet locations are predetermined with a code; see the grommet and electrical locations in this section.

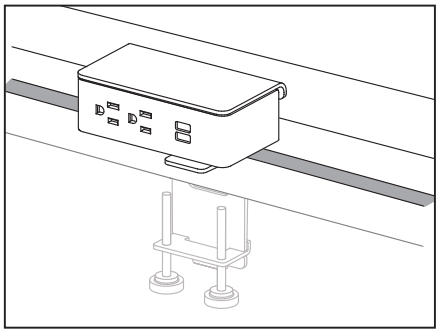

Oval Grommets
Oval grommets with a black trim ring are standard on the back of credenzas. See page 52 for actual location rules for the credenzas. These grommets can be eliminated at no charge. Must specify at the time of order entry.

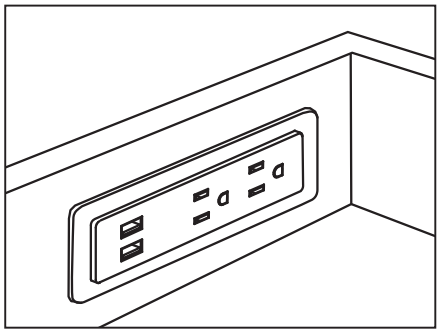

Side Grommets
Magnetic side grommets are standard on credenza with split tops, and include an interior wire channel.

Optional EC26 Power Unit
Optional EC26 power unit can be located on tops, available in black or white; two power receptacles—120 volts and 15 amp dual powered USB. Locations are predetermined with a code; see the grommet and electrical locations in this section.

Optional EC28 Power Unit
Optional EC28 power unit can be clamped on desk or credenza with split tops, available in black or white; two power receptacles—120 volts and 15 amp dual power USB; 10 ft. cord.

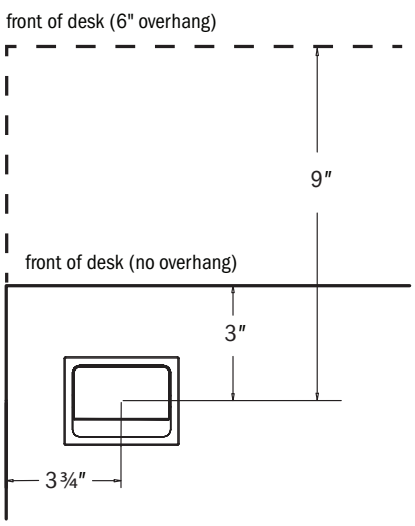

Optional EC26 Pantry Power Unit
Optional EC26 power unit can be specified in the pantry drawer, available in black or white; two power receptacles—120 volts and 15 amp dual power USB.

GSA Contract SIN #33721

Features:

- intended to be used with secondary height credenzas; specify mounting location when ordering credenzas, see page 47
- eased edge profile user side
- pedestal front locking

Options:

- must specify chassis grain direction on double cut veneer, see pages 42-43 for details
- veneer drawer fronts in paint available, specify paint color and add $275 list; see page 44 for details
- on laminate units, contrasting fronts available, no upcharge; specify color, see page 44 for details
- ledge pulls standard; prism pulls available, specify and see page 39
- top grommet available, specify location and add $105 list each; see page 75 for details
- worksurface power available, specify "to accommodate EC26" on your purchase order; EC26 unit must be ordered separately, see page 75

Features:

- use with primary height credenzas
- two adjustable shelves in storage section
- flat screen monitor may be mounted in media section
- divided shelf with oval grommet in back panel
- lock is standard on storage section only
- extreme back panel allows for monitor bracket mounting and wire pass through
- 95 7/8"w cabinet = 48"w media section; monitor not to exceed 45"w x 29"h
- 89 7/8"w cabinet = 45"w media section; monitor not to exceed 42"w x 29"h
- 83 7/8"w cabinet = 42"w media section; monitor not to exceed 39"w x 29"h

Options:

- must specify chassis grain direction on double cut veneer, see pages 42-43 for details
- veneer door fronts in paint available, specify paint color and add $275 list; see page 44 for details
- on laminate units, contrasting laminate door fronts available, no upcharge; specify laminate color, see page 44 for details
- white glass doors with aluminum trim available, specify and add $2,226 list for 96"w, $2,118 list for 90"w, $2,011 list for 84"w; see page 61 for details
- markerboard laminate doors available, specify and add $473 list; see page 61 for details

Features:

- use with primary height credenzas
- sliding door
- locking is standard on sliding doors in closed storage position
- work section - dual hanging letter size file pocket shelf with tackable surface above; upper fixed shelf
- flat screen monitor may be mounted in media section
- divided shelf with oval grommet in back panel
- extreme back panel allows for monitor bracket mounting and wire pass through
- 95 7/8"w cabinet = 48"w media section; monitor not to exceed 45"w x 29"h
- 89 7/8"w cabinet = 45"w media section; monitor not to exceed 42"w x 29"h
- 83 7/8"w cabinet = 42"w media section; monitor not to exceed 39"w x 29"h
- 77 7/8"w cabinet = 39"w media section; monitor not to exceed 36"w x 29"h

Options:

- must specify chassis grain direction on double cut veneer, see pages 42-43 for details
- veneer door fronts in paint available, specify paint color and add $275 list; see page 44 for details
- on laminate units, contrasting door fronts available, no upcharge; specify color, see page 44 for details
- white glass doors with aluminum trim available, specify and add $2,167 list for 96"w, $1,866 list for 90"w, $1,758 list for 84"w, $1,651 list for 78"w; see page 61 for details
- markerboard laminate doors available, specify and add $411 list; see page 61 for details
- tackboard included in work-in-process section
- com ydg: 95 7/8"w cabinet = 1 1/2; 89 7/8"w cabinet = 1 1/2; 83 7/8"w cabinet = 1 1/2; 77 7/8"w cabinet = 1 1/4

Flux Open Plan General Options

Laminate Products
Flux Open Plan Laminate features TFL (thermally fused laminate) chassis and components. Main worksurfaces* are available in a HPL (high pressure laminate).

Eased edges of the worksurface are impact resistant (PVC) on HPL tops. The laminate is offered in wood grain patterns and solid colors. The wood grain laminate features an embossed grain to hide finger prints and light scratches. The solid laminate is smooth to the touch with a semi-matte finish. All Flux Laminate products are indoor-air certified by GreenGuard.

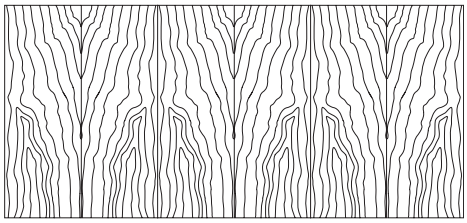

Laminate Worksurface Construction
Worksurfaces have a 3-ply balanced construction. Tops are 1 3⁄16″ thick with coordinating PVC edges. Primary worksurfaces feature 3mm PVC edges on the approach and user sides. Main worksurfaces are offered in HPL. Bridge, return, and primary height credenza worksurfaces are profiled with a 3mm PVC edge on the user side only. Remaining edges are banded with 1mm PVC which creates a seamless appearance when units are mated end-to-end or back-to-back.

HPL Features on Main Worksurfaces*
- fusion of multiple layers create a higher impact resistant surface
- tops are 3-ply balanced construction
- matched to the TFL wood grain and solid patterns

Case Construction
Panels for chassis consist of a ¾″ thick substrate with TFL surfaces and PVC bands on exposed edges. Pedestal and cabinets are constructed with dowels reinforced with screw and interior plates for increased stability. Leveling glides are set into metal housing corner plate to allow for maximum leveling.

** Main Worksurfaces include tops on desks, primary height credenzas, returns, bridges and transaction tops. Refer to pricing pages to confirm availability.*

Veneer Products
Exterior wood surfaces are made from the finest selected veneers to achieve clarity and consistency in the Flux Open Plan Veneer product line. To attain a pleasing, symmetrical pattern, all cherry, maple, and walnut veneers in Flux Open Plan Veneer are book-matched. All exterior solid lumber is matched to coordinate with the veneer.

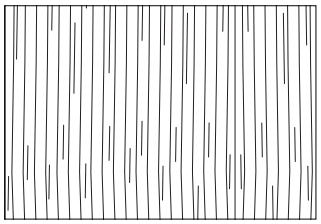

Veneer Book-Matched Example

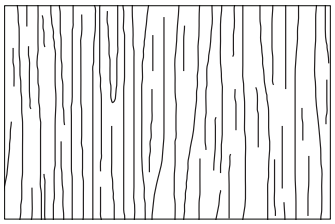

Alternating pieces of veneer are flipped over so they face each other like the pages within a book.

Flux Open Plan Veneer is available in flat cut cherry, maple and walnut veneer. A wide range of wood stains have been formulated to enhance the beauty of the veneer.

Double Cut veneer is another choice on Flux Open Plan Veneer product. This veneer is a processed product that has at least two cuttings to create the final veneers. These cuts of veneer strands are dyed and layered into a block to create a wide variety of patterns, from a very tight grain pattern to an exotic figure grain pattern. Double Cut veneer can be run vertical or horizontal. Please specify the grain direction.

Double Cut Veneer – Tight Grain Pattern

Double Cut Veneer – Natural Grain Example

Veneer Worksurface Construction
Tops are 5-ply balanced construction, 1 3⁄16″ thick with solid matching hardwood edges. Surfaces are available in wood veneer or high pressure laminate. No additional charge for using our coordinating high pressure laminate with a veneer grain pattern with finish wood edges.

Protective Top Coat
DuraTex™ offers exceptional hardness along with abrasion and impact resistance. It has been formulated to eliminate hazardous and harmful gases that are normally associated with wood finish.

DuraTex™ Features
- Safety - Significantly reduces hazardous formaldehyde emissions which help improve the quality of the of the indoor air we breathe.
- Quality - Developed to be tough and durable with special attention to appearance. The DuraTex™ finish preserves the natural beauty of wood.
- Durability - Designed to meet a wide range of demanding performance and environmental standards to withstand even the highest wear and tear.

Special Finishes
Special finishes can be requested by following the instruction in the general introduction section, page 5. There is a one-time charge of $299 list per order.

Flux Open Plan General Options

Flux Open Plan Standard Laminate Offering

The chart below lists the laminates available on Flux.

Laminate Options

Wood Grain Laminate	
AGA	Aged Ash
ALL	Ale Light
BLO	Blond Echo
BOL	Bourbon Light

Contact Customer Service for any additional veneer species.
Samples available upon request.

Flux Open Plan General Options

Drawer Information
Flux Open Plan is standard with a unidirectional V–fold drawer box interior. The box is a durable, miter-fold drawer structure which is glued and doweled. The ½"-thick drawer sides are wrapped in a high-grade maple vinyl, with an attached front. The drawer front is attached to the four sided box.

Wood Drawer Boxes
Optional four corner dovetailed wood drawers are available. Specify and add 10% per unit.

Drawer Suspension
High quality black drawer suspension carries a lifetime warranty. File and box drawers have 100% full extension with over travel. Slides feature steel ball bearings for longer wear and positive, cushioned in/out stops.

Filing Hardware
All file drawers are constructed with a custom design for hanging folders.
See filing diagram on page 37.

Locking
All desks, credenzas, returns and mobile pedestals feature pedestal front locking to provide maximum security and flexibility in configuration. Units are shipped randomly keyed as standard. Key-alike units are available upon request for no additional charges. Removable cores for in-field re-keying are standard.

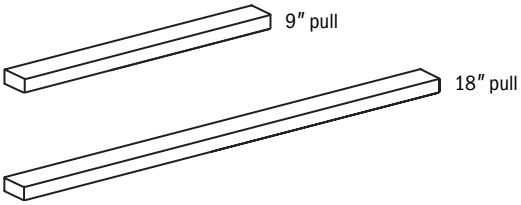

Lock face color is controlled by the metal color of the unit.
Pewter and Matte Black = Black Lock Face
Soft Nickel and Arctic Silver = Silver Lock Face

Interior compartment
Interior compartment sizes and specification matrix on pages 54, 55 and 65.

Special Construction
Flux Open Plan has an extensive product offering to create many types of configurations. Contact Customer Service if you are having trouble with finding the right units to complete the desired configuration. Requests for special construction need to be approved by JSI engineering.

Flux Open Plan General Options

Pulls and Pull Orientation

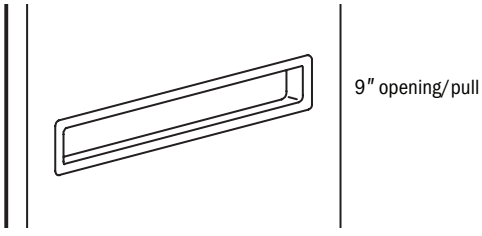

Ledge Pull
- Standard on all Flux products
- Available in Arctic Silver, Soft Nickel, Matte Black or Pewter
- Ledge pull is considered part of the aesthetic of Flux and has unique orientation on the product. See chart below for these locations.
- Ledge pull length is determined by drawer/door width as follows:

9″ pull	drawers/doors 18″ wide or less
18″ pull	drawers/doors wider than 18″

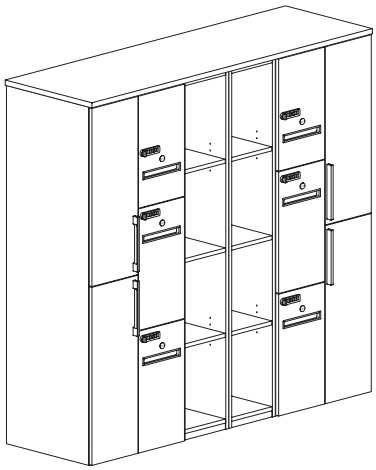

Prism Pull
- Optional – must be specified at the time of order placement
- Available in Arctic Silver, Soft Nickel, Matte Black or Pewter
- Prism pull is mounted in the center of drawers on all drawer and lower doors widths. Upper pulls on worksurface towers or wardrobes are mounted on the right door only.

Mail Slot Pull for Lockers
- Optional for lockers only – must be specified at the time of order placement
- Available in Arctic Silver, Soft Nickel, Matte Black or Pewter

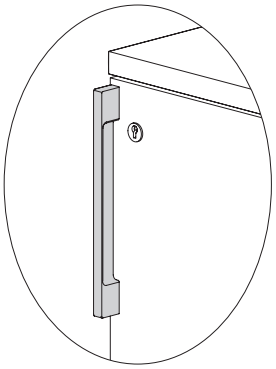

Flux Open Plan General Options

Locker Pull and Lock Options

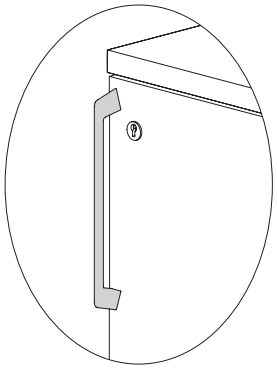

Lockers are available with a variety of pull and lock combinations.

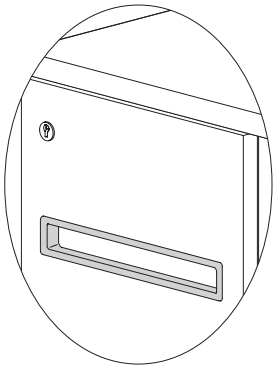

Pulls

Ledge

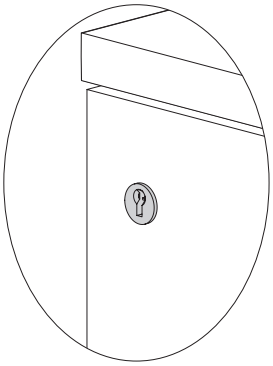

Prism

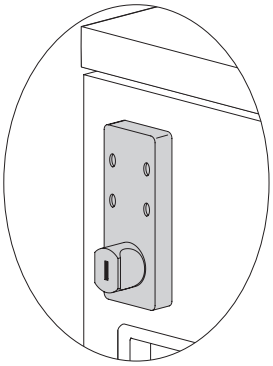

Mail Slot

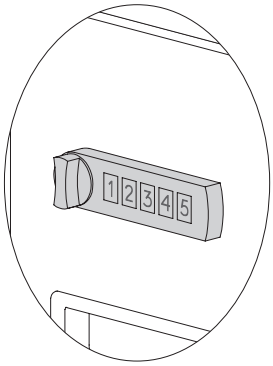

Locks

Standard
Standard lock and key. Black or silver finish. Ordered separately and field installed. Specify finish and number range. See page 568.
$80 upcharge per lock.

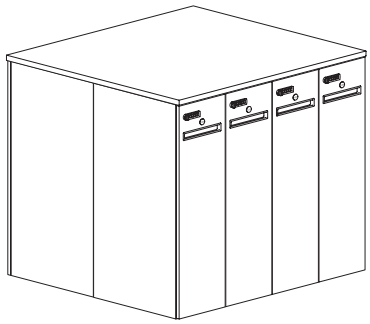

Keyless Radial
Temporary 4-digit code gets programmed by each user interaction. Built-in finger grip does not require additional pull. Prism and Ledge pulls not available. Satin Nickel finish. Master Key available, see page 568.
$291 upcharge per lock.

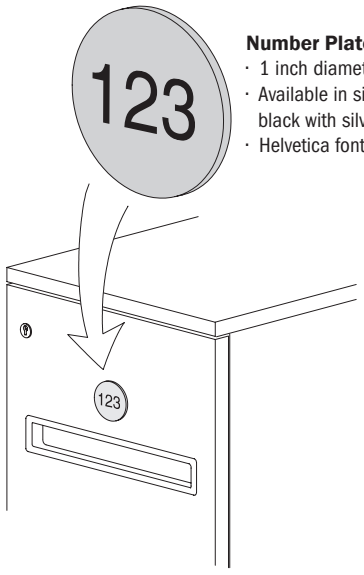

Digital Keypad
Temporary 4-digit code gets programmed by each user interaction (Locker Mode). May be reset to "Station Mode" for repeated use with a single code. Black or Silver finish. Master Key Fob available, see page 568.
$328 upcharge per lock.

Locker Number Plates

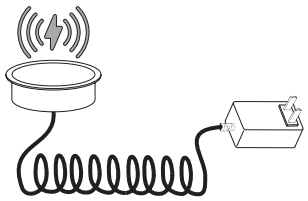

Locker number plates are available for identification. Adhesive backed for field installation. Ordered separately. Specify finish and number range. See page 568.

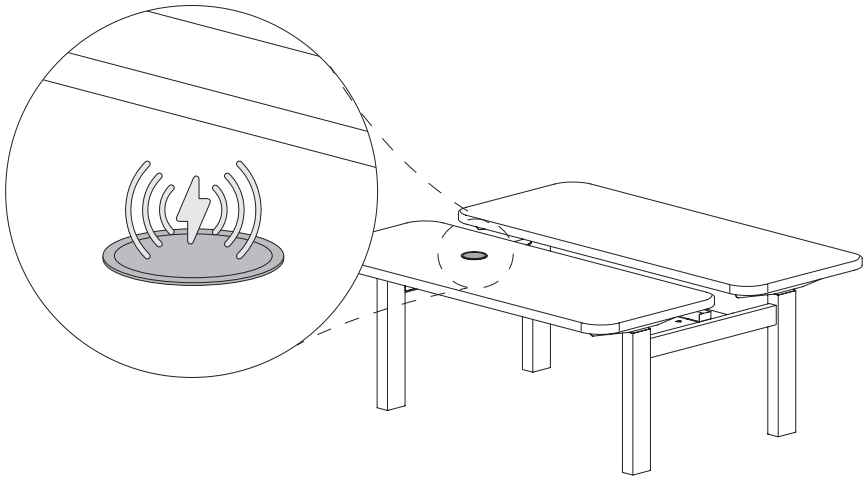

Number Plate
- 1 inch diameter aluminum
- Available in silver with black numbers or black with silver numbers
- Helvetica font

Flux Open Plan General Options

Wireless Charging - EC33

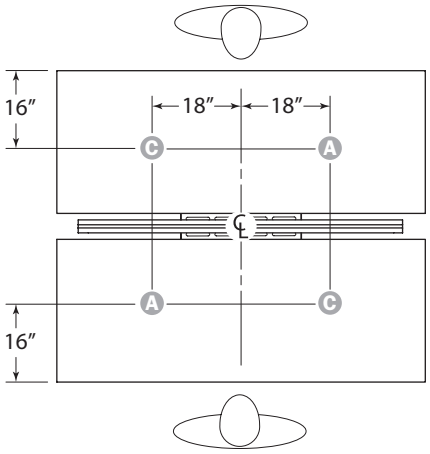

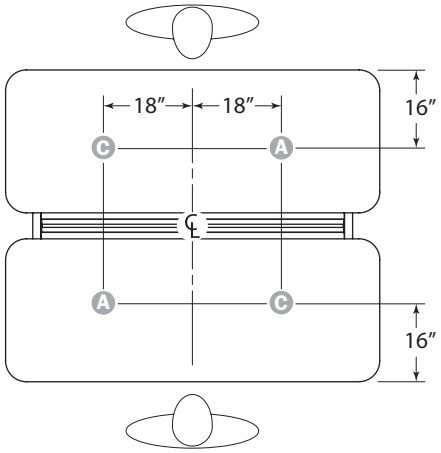

In-surface wireless charging for use with Qi enabled devices. 120" power cord. Black finish. UL Listed and CE/FCC certified.
Order cutout with worksurface and order EC33 separately. See page 560.

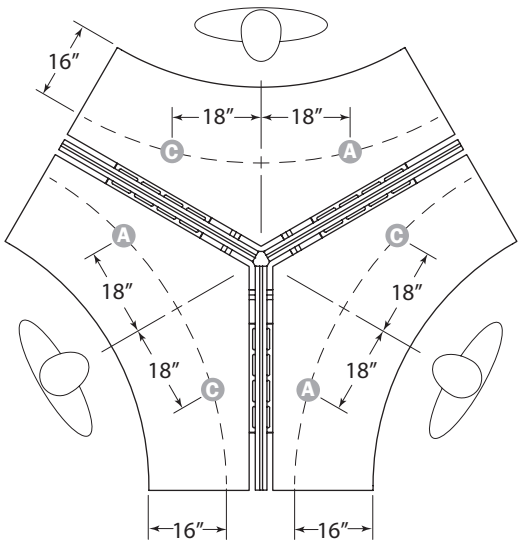

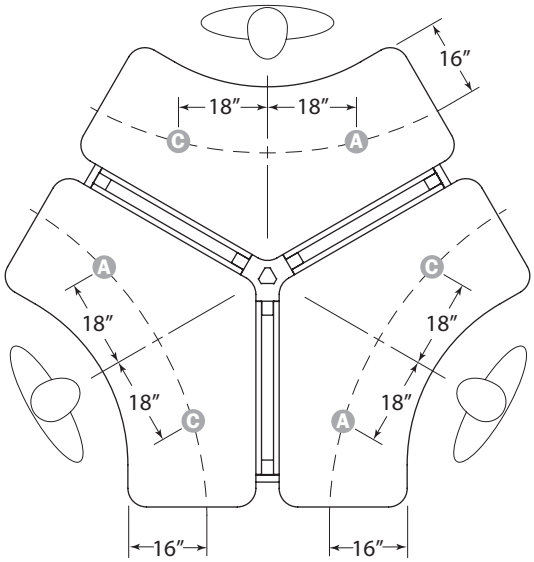

Wireless Charging Locations

Standard locations for wireless charging units are 16 inches off the user edge, and 18 inches off center of worksurface.
Locations are specified per surface; letter codes A (left) or C (right). See diagrams below.

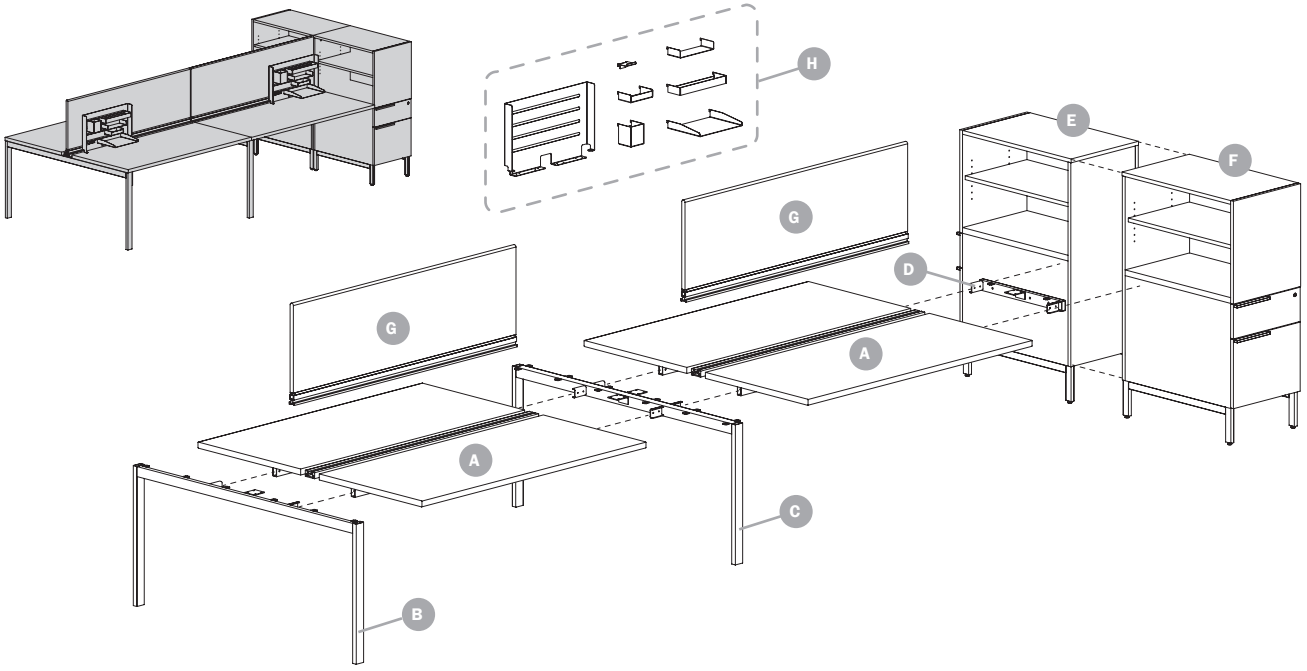

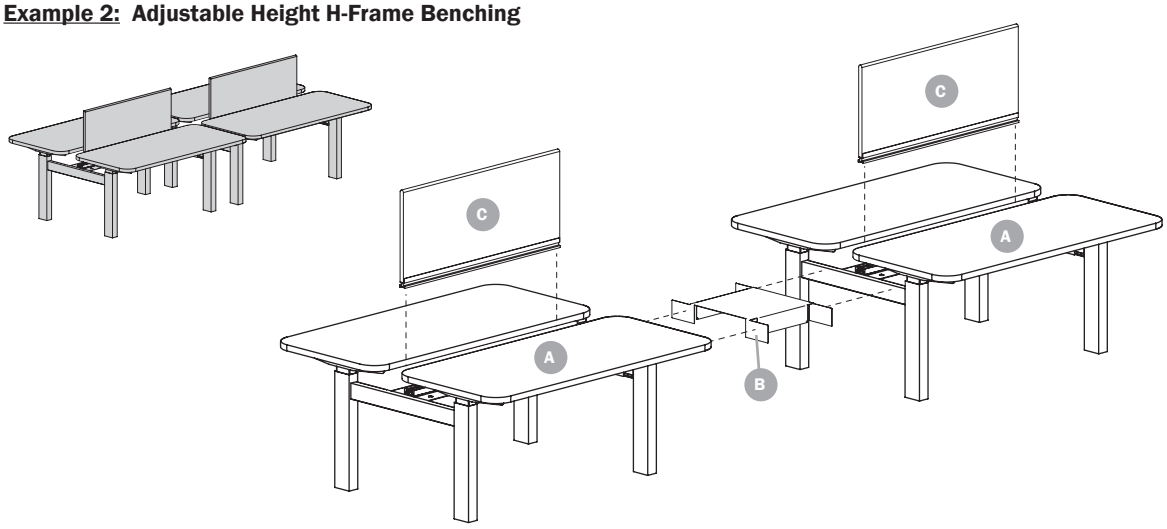

Flux Open Plan - How to Specify

Example 1: Fixed Height Benching

A = FL_6060-29B1-2-WS | 60" deep Bench Surface Dual Sided
B = FLB0260-29B1-EFA | 60" deep End Support Frame
C = FLB0260-29B1-EFM | 60" deep Mid Support Frame
D = FLB2202-29B1-BRSP | Mid Support Storage Tower Bracket
E = FL_3018-48L5SAL |48″h Box/File, Side Access
F = FL_3018-48L5SAR |48″h Box/File, Side Access
G = FLB60-20B3-RMTK |20″h x 60"w Upholstered Tackboard Privacy Screen
H = FLB0223-15ASW | Accessory Slat Wall + Accessories (sold separately)

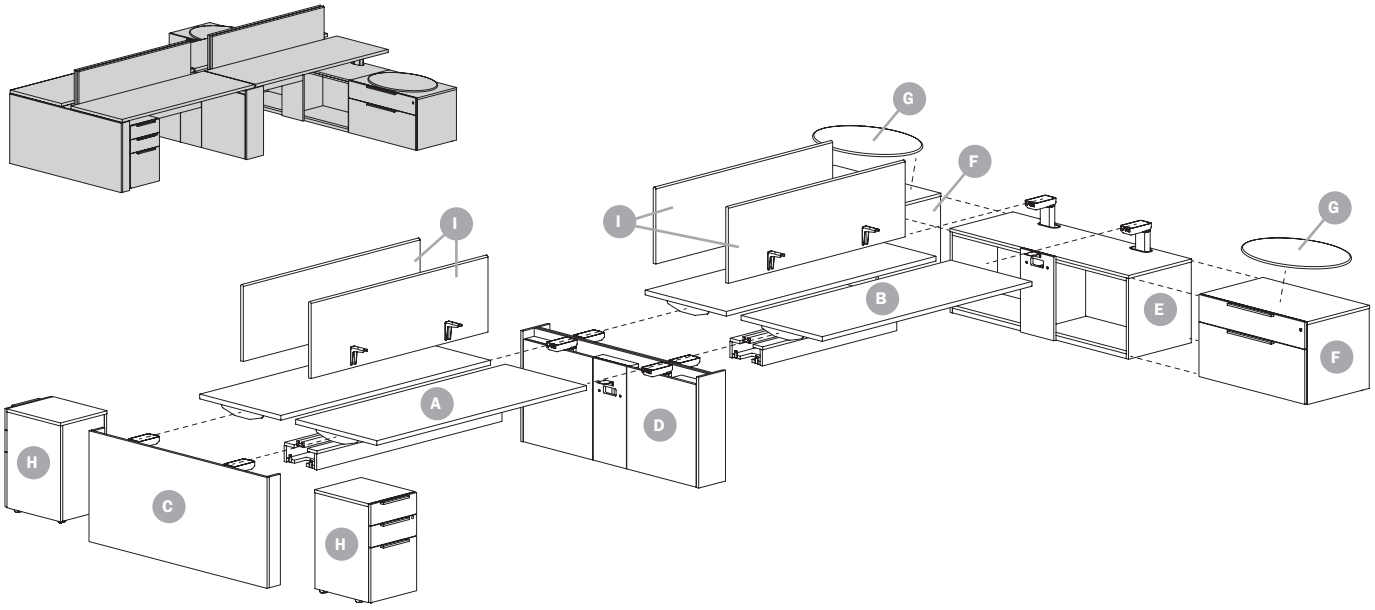

Example 2: Adjustable Height H-Frame Benching

A = FL_6060-29B4-AHHT | 60″ deep Adjustable Height H-Frame Bench Unit - Dual Sided
B = FLB6015-B4-CON | H-Frame Ganging Connector for 60" deep Bench Units
C = FLB48-20B4-RMTK | 20″h x 48″w Upholstered Tackboard Privacy Screen

Flux Open Plan - How to Specify

Example 3: **Adjustable Height Benching**

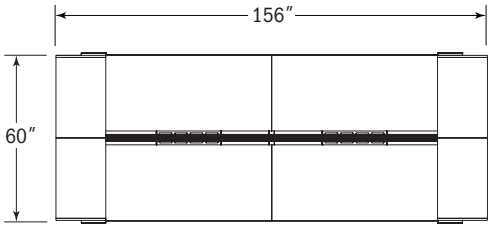

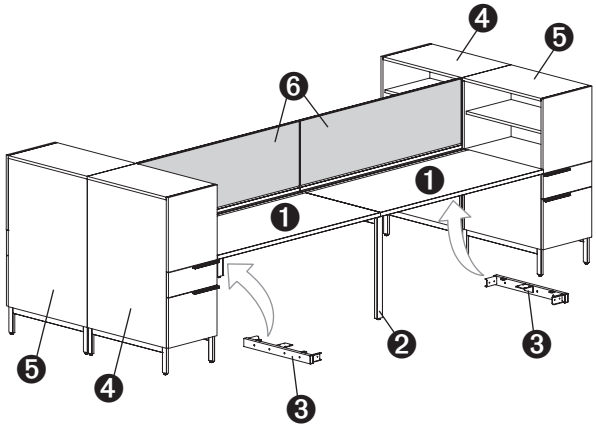

A = FL_6072-29B3-2-WS | 60" deep Adjustable Height Bench Surface - Dual Sided
B = FL_6072-29B3-2-WSIN | 60" deep Adjustable Height Bench Surface - Dual Sided - Inward Credenza Mount
C = FL_0560-29B3-EPAH | 60" deep Adjustable Height End Support
D = FL_0960-29B3-EPMAH | 60" deep Adjustable Height Mid Support
E = FL_2260-21B3-ECIN | 60" deep Inward Facing Adjustable Height End Support Credenza
F = FL_2236-21F6 | Box Lateral File Pedestal
G = FLB2029OVCUSH | Oval Cushion
H = FL_1816-25FMP | Box/Box/File Mobile Pedestal
I = FLB60-17B3-EMTK | 17"h x 60w" Upholstered Tackboard Edge Mount Privacy Screen
